**Galley Convenience...**

Our wide-open galley offers all the comforts of your kitchen at home. With the 3-burner high performance range; 2-door, 2-way refrigerator and large convection microwave oven, you will be able to prepare any of your family’s favorite meals.

**Fine Dining...**

Set in the deep comfort of the Endura’s slideout surrounded by windows, this dinette features Comfort plus seating and large surface area table. Our dinettes give you plenty of area to enjoy all the activities of the RV lifestyle and room to dine.

**Spacious Living...**

With the largest slideout in the class C industry, the Endura gives you spacious living and plentiful storage. The main living space features hardwood cabinetry, full kitchen, deluxe carpet, Comfort Plus sofa, dinette seats, and stand alone chair, residential hardware and fixtures, and your choice of either a cabover sleeping area or cabover entertainment cabinet featuring a Flat screen Television and 5.1 surround sound system to entertain you and your family during your travels.

**Ergonomic Cockpit...**

The Cockpit of the Chevrolet Kodiak Chassis puts the controls of your rig and driving entertainment at the tips of your fingertips. Ergonomic features include, 16” steering wheel, visor mounted backup monitor, fully adjustable seats and High visibility rearview mirrors and windshield. The safety of Dual airbags will also add to your peace of mind and comfort.
COMFORTABLE SLEEP...
Gulf Stream knows that a good night's rest is important for you to enjoy your time in your new home on wheels. With a queen bed in the rear of the coach, a convertible dinette and incredibly spacious cabover sleep area you have the ability to comfortably sleep six people.

OPTIONAL SIDE-OVER LCD TV

BEDROOM...
The Endura gives you three floorplan options when it comes to the rear bedroom area. The 32' 6316 single slide features a bedroom/bathroom combination. The 35' 6340 doubleside features enormous wardrobe storage, vanity and optional TV. The 37' 6378 tripleside featuring two-zone living also includes large wardrobe storage, optional TV, a large rear bay window and two freestanding chairs giving you the ability to utilize the bedroom as a private area during the day as well.

SPACIOUS BATHROOM...
The bathroom in the Endura 6378 gives you the same bathroom setup as our high end diesel class A models. With French doors, hardwood and residential shower you will feel at home with residential style amenities. The shower features a skylight and hand held shower head for your convenience. Undersink storage and medicine cabinet are also added to help you store all your personal products out of the way.
Breakaway mirrors fold 90 degrees inward or outward to manage tight spaces reducing the risk of damage.

126-square inch-surface mirror including a 6x7 inch convex section on both mirrors.

**STABIL-RIDE™ Suspension System**
The best just got better. The optional Stabil-Ride™ suspension system integrates parabolic leaf springs, auxiliary springs, a stabilizer bar and tuned shocks, designed to provide a low maintenance, stable ride comparable to the ride of a diesel pusher. Enjoy unsurpassed handling with reduced body sway particularly while cornering and superior straight-line stability.

**Optional on all models**

**RUST-PROHIBITIVE COATING ON FRAME**

**MULTI-LEAF SUSPENSION**

**ERGONOMICALLY SPACED STEPS**

**INTENSE 22,000 LB. GVWR (6378)**
19,500 LB. GVWR (6331,6340,6316)

**UP TO 2,700 LBS. CARGO CARRYING CAPACITY***

**SUPERIOR TOWING CAPACITY 26,000 GCWR**

* CCC (Cargo Carrying Capacity) is equal to the GVWR minus each of the following: UVW, full fresh (potable) water weight (including water heater), full LP Gas weight, and SCWR

**OPTIONAL ON ALL MODELS**

**STABIL-RIDE™ Suspension System**
The best just got better. 10,000 lb. Hitch Rating
19.5" Tires
Driver and Passenger Airbags
Daytime Running Lights
AM/FM CD Player

VISIBILITY AND MANEUVERABILITY

Negotiating a tricky curve in the campground or on a major city street there will be no reason to worry while you’re in the Chevrolet Kodiak. With a 54 degree turning radius, giant mirrors, large windshield and sloped hood this vehicle drives more like a light duty truck. Sloped hood allows the driver to see just a mere 13 feet in front of them, doubling their field of vision versus the competition’s 26 feet.

CHEVROLET KODIAK C5500 - VISIBILITY AT 13 FEET  
FORD F450/F550 - VISIBILITY AT 26 FEET
Endura Exclusive Features & Benefits

**Dual metal H-Ducted air conditioning system** with foil bubble wrapped insulation for superior climate control.

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predrilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

*Endura Exclusive Features & Benefits*

- **Excellent Weathering** - Maintaining the vehicle's quality appearance enhances its resale value.
- **Tear Resistance** - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.
- **Low Maintenance** - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.
- **Stain Resistance** - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.
- **Structural Integrity** - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.
- **Textured Fiberglass** - Helps dissipate heat and prevents tree limbs from tearing or scratching your roof.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

The Endura has nearly 7' interior ceilings for a residential look and feel with 6 foot ceilings in the slideroom.

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

**Option Hard Rock Maple**

**GALVANIZED STEEL STORAGE COMPARTMENTS**

Seamless, carpeted, galvanized steel storage compartments safely cradle your valuables. Rust protective paint and foam sealed for extended life and a quiet ride.

**Predrilled Hardwood Construction**

**COMPETITOR'S CABINETRY**

- **Textured Fiberglass**

**Flush Floor Slide Out Rooms**

**HIGH EFFICIENCY H-VAC H-DUCTED ROOF AIR**

Dual metal H-Ducted air conditioning system with foil bubble wrapped insulation for superior climate control.
The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail, these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" C channel extension versus the traditional 4" or less. This practice adds to the strength of the foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

Super Strength Truss System

1. Seamless Fiberglass Roof
   For Greater Energy Efficiency and Dependability.
2. Luan Decking for Additional Strength.
3. Molded, High-Density EPS (Expanded Polystyrene) Roof Insulation—Provides Consistent Insulation Value as well as Superior Dimensional Rigidity.
4. One-Piece Formed Aluminum Air Conditioning Duct, Completely Surrounded by EPS Insulation.
5. Bubble-Wrapped Foil Insulation—Provides Superior Insulation and Helps Prevent Condensation.
6. Rugged Welded Tubular Aluminum Roof Framing.
7. Rugged Heavy-Gauge Tubular Aluminum, Fixture Welded to Form the Sidewall Framing.
9. Interior Wall Panels—Securely Laminated to Sidewall Framing.
11. High-Quality Stain-Resistant Carpeting Available in Designer Coordinated Colors.
13. Seamless Structurewood Floor Decks Laminated to Steel Floor Structure—Assures a Quiet, Long-Lasting Rigid Floor.
15. Heavy-gauge Tubular Steel Framed, Fixture Welded Floor Truss System—Provides the Strongest Foundation in the Industry.
16. Seamless Layer of Galvanized Steel—Securely Laminated to the Steel Floor Framing.
17. Galvanized Steel Used to Form Each Storage & Holding Compartment.
19. Rust-Prohibitive Paint Coating—Applied to All Steel Framing—Assures Corrosion and Rust Protection.
20. The Industry’s Strongest, Most Spacious Exterior Storage Compartments.
21. Reinforced Heavy-Gauge Steel “W” Transition.

Take the Time to Compare...
and you will see the exceptional value of a Gulf Stream Coach.

Gulf Stream Facilities...
Located in the heart of the Amish country, the complex, along with Gulf Stream's affiliate, Fairmont Homes, Inc., covers over 400 acres and includes more than 1.5 million square feet of state-of-the-art manufacturing facilities. With over 20 years of manufacturing experience producing quality Recreational Vehicles, Gulf Stream is the leading manufacturer of high quality and high value RV products that are distributed through a partnership relation with independent dealers who are focused on meeting customer expectations.

Exceptional Value...
Your family and friends will feel safe and comfortable wrapped in Gulf Stream's "Cradle of Strength". Comfort, Quietness and Insulation from the elements is what you will experience from Gulf Stream's "Tried and Tested" Motorhomes. Compare... and you will find the exceptional value of a Gulf Stream Motorhome.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. The Main Stream, the club magazine, with up-to-date product information, service tips and company highlights. Members benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. The 10% discount program at campgrounds throughout the U.S. and Canada. As a member, you'll receive discounts at National Theme Parks and special attractions, including RV and travel guides, directories and magazines. Gulf Streamers spend time touring attractions, enjoying fabulous meals, taking in area highlights and showing how to make the most out of your RV experience. Special rallies throughout the year include Gulf Stream supplier seminars, complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and round table discussions to voice your product improvement ideas.
