30-amp service with shoreline power cord and battery disconnect switch	S
Automatic generator transfer switch	O
Emergency start switch (N/A 23S)	S
Second auxiliary house battery (N/A 19G)	O
6-gallon DSI gas water heater	S
6-gallon DSI gas/electric water heater	O
Water heater bypass system	S
Holding tanks with heat pads	O

Four Winds

VEHICLE LOADING: Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

IMPORTANT: Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating

(GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer weighing more than 1,000 lbs. (450 KG) when fully loaded. Liquid capacities and weights are approximations only.

WARNING: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual and weight sticker affixed to each vehicle for complete loading, weighing, and towing instructions.

WARRANTY: The vehicles are provided with a twelve (12) month, 15,000-mile limited warranty. Chassis,

component part and appliance manufacturers may issue limited warranties covering those portions of the vehicle not covered by the limited warranties issued by Thor Motor Coach. To learn what portions of the vehicle are excluded from coverage under the limited warranties issued by Thor Motor Coach, please contact your selling dealership or Thor Motor Coach directly, or review the warranty packet inside the vehicle.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some

features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. The manufacturer reserves the right, at any time, to make changes in product design, materials, component specifications and pricing, without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada.
