

As a part of Thor Industries, Inc., the second largest manufacturer of recreational vehicles, we have the resources to maintain the standards of engineering and manufacturing excellence that Airstream has set over the years. The result is your assurance of solid value when you invest in a Land Yacht motor home. Ask about our VHS video cassette which explains in full why Land Yacht is such a good investment—it's the inside story. Then see your dealer to see for yourself why you should own a Land Yacht.

With Airstream's sixty years of experience building vehicles that have become American institutions, you can feel confident your Airstream Land Yacht is designed for truly outstanding livability. Land Yacht floorplans represent the ultimate in space planning for comfort and convenience, with truly impressive storage capacity and many standard features that are expensive options on other motor homes. A twin bed option is available in both the 33' and 36' gasoline powered models. Ask your dealer for details of the Land Yacht Pusher.
