Since Airstream constantly strives to improve its product, all specifications are subject to change without notice.

This brochure is printed on recycled paper as part of Thor's corporate effort to minimize waste and conserve our natural resources. Providing safe, fuel efficient recreational vehicles is Thor's way of further demonstrating our role as the industry leader in safeguarding our nation's environment. We know you will join us in this effort to maintain North America's great outdoors. For who appreciates the natural beauty of our open spaces more than an RV'er?

If you are in Jackson Center, Ohio,
be sure to take the Airstream factory tour.
