

18-FOOT AIRSTREAM GLOBE TROTTER

Here's a trailer that's light on the hitch, light on the hills and fast on the straight-way — a “natural” for those who want a lightweight trailer to go places. Designed to meet the need for a sturdy yet lightweight, go-anywhere trailer, the Globe Trotter is the perfect small home on wheels. It is all-metal, all-riveted with double rubber-sealed doors and windows, aircraft tight, vibration-proof fastenings and many other outstanding features. The extras that anyone may desire usually can be installed in the Globe Trotter. Special floor arrangements are also available. As in all Airstreams, the entire furnishings are movable and changeable. We think the Globe Trotter is the world's finest small travel trailer.
