This Cruiser model was designed specifically for those people who live in trailers over extended periods of time. It is a genuine Airstream, lightweight but large, with plenty of room for gracious living.

As comfortable and roomy as it is, this trailer completely equipped and ready for the road, weighs a little over 3000 pounds, less than most of today’s automobiles. It’s a natural for those who would have their cake and eat it too. All the space of a big trailer and the easy towability of an Airstream. With the Cruiser you can take all the comforts of home with you wherever you go.
Airstream - always safe, fast and easy to tow
