30-FOOT COMMODORE VANDERBILT

Here is the lightest trailer of its size in the world. It's a big, roomy, 4-wheel tandem, yet it can be towed easily by any passenger auto. Nowhere can you buy a trailer with so much livability, yet pull around with so little effort. Everything is big and deluxe in the Airstream Liner... an abundance of space and conveniences to make it outstandingly comfortable and liveable. All the genius of Airstream design, all the experience of extensive travel testing have gone into the building of this great model. Wherever you stay, you will enjoy living in it... wherever you go you will enjoy taking it with you.
Airstream - since 1932 the world's finest lightweight travel trailers
