**Product Information:**
Specifications and photographs in this brochure are accurate as of the time of printing. Weights are approximate and are subject to change without notice. All specifications are approximate and dimensions are nominal. Some features or options may be different in models.

**Vehicle Loading:** Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices in such a way so they remain within the manufacturer's specified weight limits. Do not overload the recreation vehicle.

**Dry weights** based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

**Warning:** This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and touring instructions.
