ADVENTURE AT THE  
NEXT LEVEL. THERE IS  
NOTHING YOU CAN'T  
DO AND THERE IS NO  
PLACE OUT OF YOUR  
REACH. THE ULTIMATE  
EXPERIENCE IN TRAVEL  
IS RIGHT HERE.

American Heritage 45E shown in Invitation interior  
decor with High Gloss Heritage Maple wood finish.  
Optional galley to entry tile shown.

## EXQUISITE TRAVEL.

Reexamine the way you travel with your choice of sophisticated high gloss Maple or high gloss Cherry flat panel cabinetry or beautiful raised panel Walnut or Kensington Mocha cabinetry. Heritage features Marine Grade drawer hardware (high gloss wood only) that locks the drawers in-place during your travels, and elegant buffed and polished Corian®

countertops for the ultimate in sophistication. You'll also love the 32" Sony® flat panel high definition monitor with preprogrammed universal remote control and leather Flexsteel® furniture, providing a comfortable atmosphere throughout the entire coach. Pamper yourself. This is how traveling was meant to be.

**THE ELEGANT DINETTE** features a polished Corian® tabletop that extends to comfortably seat four (two additional folding chairs are not shown).

**THE GALLEY** comes standard with a large Corian® or stainless steel sink, polished Corian® countertops, a Dometic® 14 cu. ft. refrigerator with an icemaker in either a stainless steel or black gloss finish (choice tied to decor selected), GE Advantium® convection microwave and deluxe full extension, ball bearing drawer guides, giving you full storage access in each drawer.

**THE FLEXSTEEL® LEATHER EASY BED** is produced by a premier furniture manufacturer with over 100 years of experience and features a lifetime warranty on the frame. The easy bed quickly converts for sleeping and also features leather for supreme comfort.

## COMFORT AND LUXURY.

Luxury is abundant in Heritage's first class bedroom, providing the most comfortable accommodations possible on the road. Enjoy a full queen-size innerspring mattress (king bed optional), deluxe fabrics for stylish interior surroundings

and LED lighting, providing subtle accents underneath the countertops and bedroom valances. Ease into comfort and enjoy the ride with all these luxuries while you are out exploring the world.

**THE BEDROOM ENTERTAINMENT CENTER** features a Bose® 321 home theater system and a 32" Sony® flat panel high definition monitor with a digital window feature that allows you to view outside conditions on the monitor via a small outdoor camera.

**THE LUXURIOUS BATHROOM** includes a polished Corian® vanity countertop with a stainless steel or Corian® sink, a Moen® or Delta® faucet and satin nickel or brass finished bathroom accessories (choice tied to decor selected).

**THE GLASS ENCLOSED SHOWER WITH SKYLIGHT** features a remarkable curved glass shower door, Corian® walls with inlaid design, a residential fixed showerhead and a satin nickel or brass finished radius shower door.

Optional ceiling fan shown.

**THE DRIVER'S AREA** includes revolutionary network computer technology, combining many of the coach's features into one integrated system: all trip information and the GPS locating system is controlled from two display touch screens. You'll also enjoy the air with hydraulic leveling system, a memory pod with adjustable pedals, seat, and steering column, a large polished Corian® drink holder in the dash, driver/passenger map lighting, a Visteon® AM/FM radio with CD player and a convenient backlit instrument panel. Popular options include: Sirius® satellite radio (1 year subscription included) and OnStar® navigation system.

## SIMPLY THE BEST.

Heritage screams success with its bold and commanding appearance. The sleek design accompanied by deluxe exterior graphics choices, will make you stand out in style on the road. Heritage sets a new standard in driving excellence thanks to its

Liberty Chassis, giving you a smooth and seamless driving experience. Independent front suspension, strong steel platform and a lightweight aluminum superstructure also help to create the ideal driving experience for those long adventures.

**THE FLEXTSTEEL® LEATHER 8-WAY POWER DRIVER SEAT** boasts 3-point integrated seat belts and heat and massage features for added comfort as well as lumbar support and memory settings to quickly adjust to each driver's preferences.

**A 32" SONY® FLAT PANEL HIGH DEFINITION TV** is the ultimate luxury, transforming the Heritage into a mobile movie theater.

**THE INTERIOR REAR VIEW CAMERA** allows you to see what is going on inside of the coach at any time.

**THE STYLISH FIBERGLASS REAR CAP** features a two piece rear ladder, chrome rockguard and high mounted taillights that can easily be seen by others even if you are towing a vehicle.

**STYLISH FRONT CAP** features a large one-piece windshield, upper-cab windows that let in plenty of natural light for a warm atmosphere, deluxe chrome heated side mirrors with remote adjustment, top mounted windshield wipers and polished stainless steel bumpers, giving Heritage a unique and stylish look that is sure to turn heads on the road.

## American Heritage

**Girard Roof Mounted Power Awnings with Wind Sensor** run the full length of each side of the coach, provide protection from the elements and automatically retract in wind over the specified setting. (Roadside window awnings are available instead of roof mounted awnings.)

**3 Low Profile Air Conditioners** provide an enormous cooling capability. Condensation run off is dispersed through inner-wall tubing rather than down the exterior sidewalls; this prevents sidewall streaking.

**An All Fiberglass Front Cap** has a "bus-like" design, giving Heritage a commanding and powerful presence on the road.

**Top of the Line Xenon Headlights** are brighter than most headlights.

**Side-Hinged Luggage Doors** open sideways, providing easy access to stored items. Specially designed durable hinge pins lock the exterior compartments in the open position so the doors won't swing shut when you are loading or unloading. (Most doors)

**The 30" Front Entry Door with Deadbolt and Pneumatic Air Lock** provides a specially designed window to increase visibility. The door also features a reliable pneumatic air lock that reduces wind noise when driving.

\*Vehicle shown in Horizon Silver

**KEYLESS REMOTE ENTRY** is state of the art, easy to use and eliminates having to fumble with your keys in the dark.

**THE CHROME LINED CENTRAL UTILITY COMPARTMENT** provides a central place to change your whole coach water filter, empty your holding tanks and access the water sprayer for quick clean-ups.

**2 FOLDING CHAIRS** are included and stow away in a convenient storage rack when not in use.

**THE SIDE-VIEW CAMERA** is turn signal-activated. Provides a video feed to the rear vision monitor for additional visibility. This makes for easy lane changing.

**THE BATTERY COMPARTMENT** contains 3 Absorption Glass Mat maintenance free batteries, they are sealed and provide plenty of amperage to keep the coach running soundly at all times.

**A 500 HORSEPOWER ENGINE** is standard, providing plenty of power for your travels.

**A 600 HORSEPOWER ENGINE** (optional) provides even more power for hill climbing and towing.

## EXTERIOR/INTERIOR CHOICES.

Mix and match between four interior decor motifs and four wood finishes to create the vehicle that's right for you. Also choose from six dynamic exterior graphic choices, giving Heritage a unique eye appeal that is sure to draw attention on the road.

- GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
  - GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
  - Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.
  - GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle.
- Towing & braking capacities may differ. Refer to Fleetwood & chassis manufacturer manuals for complete information.
- Length taken from front bumper to rear bumper (excludes accessories).
  - Excludes safety equipment & awnings.
  - Tank Manufacturer's listed water capacity (WC). Actual LP Gas capacity is 80% of water listing as required by the safety code.
- <sup>\*</sup> The chassis manufacturer recommends the installation of a supplemental brake-control system to activate the brakes on the vehicle or trailer you are towing.

## Liberty Chassis

### Fleetwood® Exclusive.

In true American Coach Fashion, American Coach set out to design a superior, one-of-a-kind chassis that would be able to overcome the structural challenges created by designing floor plans with triple and quad slide-outs. The result: The Liberty Chassis. This exclusive American Coach design (patent pending) strengthens the structural integrity of the driving platform by creating a strong and rigid frame that resists flexing and provides a comfortable and unforgettable driving experience.

- 1 **Huge 15,000 lbs. Towing Capacity.** Easily tows your favorite vehicle.
- 2 **Laminated Storage Liners.** Easy to maintain, neat, clean look, durable.
- 3 **E-Coated Structure.** Protects against corrosion. Enhances longevity, quality and reliability.
- 4 **All Steel Structure.** Minimizes flex, enhances driving experience, strength and longevity.
- 5 **Center-Mounted Fuel Tank.** Improved weight distribution.
- 6 **Independent Front Suspension.** Optimum handling, enhances driving experience.

## THE AMERICAN COACH PROMISE.

In one word, quality. The American Coach team is passionate about understanding you. Customer's wants, needs and suggestions are carefully scrutinized until the product meets or exceeds their standards. Always improving, constantly evolving and never satisfied, that is American Coach and that is Fleetwood.

**SERVICE:** Our team of experts travel to countless rallies across the nation to provide world class service. Through this process, they get to know customers first hand, and in turn, deliver the highest level of service and satisfaction.

**PLANT TOURS:** Our doors are always open to those who call American Coach home. We welcome you to call 800-648-6582 for more information, or to set up a time to come visit us.

**VIP FACTORY DELIVERY:** Our optional VIP delivery service gives you an ideal opportunity to learn everything about your new vehicle from the very people who proudly designed and built it.

## What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you. Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.

**RV OWNERCARE\*** is a limited one-year/15,000-mile and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

**CLUB FLEETWOOD** As a Fleetwood owner, you're eligible to become a member of our owners' group, Club Fleetwood.
