American Heritage
The good life.
THE WORLD IS IN THE PALM OF YOUR HANDS AND LIFE DOESN'T GET ANY BETTER THAN THIS. YOU HAVE REACHED THE PINNACLE OF ADVENTURE AND THE ULTIMATE EXPERIENCE IN TRAVEL. THIS IS ALL YOURS. ENJOY THE RIDE.
American Heritage 45A shown in White Chocolate interior decor with High Gloss Cherry wood finish.
Welcome Home.

Welcome to the next level of luxurious travel. Your home away from home has never been so opulent, so comfortable or so you. American Heritage is the cream of the crop of the American Coach line boasting unparalleled luxury and comfort. Enjoy stylish leather furniture, an amazing 42" Sony® flat panel high definition monitor with universal remote, beautiful cabinetry design and craftsmanship for a breathtaking appearance and the most comfortable driving platform imaginable. This incredible coach leaves nothing behind, delivering an exquisite traveling experience for the most remarkable adventures yet to come.

THE GALLEY
comes standard with a large 50/50 Corian® or stainless steel sink for easy clean up, Corian® scratch/stain resistant countertops, a GE Advantium® convection microwave oven for cooking meals in a fraction of the time compared to an oven and marine grade drawer hardware that locks the drawers in place during your travels.

THE WINE RACK & GLASSWARE STORAGE CABINET
are new features for '06 and are ideal for storing wine glasses for those evening toasts.

THE 14 CU. FT. DOMETIC® REFRIGERATOR
features an icemaker, plenty of room to store food & beverages and is available in either a brushed aluminum or black glass finish for an elegant look.

THE RECESSED COOK TOP (optional) features sealed burners to keep food and grease from getting in those hard to clean places. The burners are recessed beneath the countertop giving you a level and continuous surface when covered.

THE DISHWASHER (optional) is a very useful feature to have on the road and is concealed in the galley cabinetry for an unobtrusive look.
**Suite Surroundings.**

Heritage’s decadent bedroom suite is designed for comfort and total relaxation. Drift off peacefully day or night on the optional queen-size Senora mattress with radius corners (king bed shown is optional). Heritage is all about luxury with beautiful fabric, elegant cabinetry detail and subtle accent lighting underneath the countertops and bedroom valances for an inviting atmosphere. In the bathroom, enjoy elegant, easy to clean Corian® countertops and a residential sized medicine cabinet with mirrored door. It’s the traveling experience of your lifetime.

---

**THE BEDROOM ENTERTAINMENT CENTER**
features a Bose® 3-2-1 home theater system and a 32” Sony® flat panel monitor for the ultimate in entertainment. The digital window feature allows you to view outside conditions on the monitor via a small outdoor camera.

**THE UNIVERSAL HARMONY® REMOTE**
comes preprogrammed, making it easy to control all of your entertainment components with only one remote.

**THE SELECT COMFORT CONTROL**
(optional) allows you to automatically adjust the firmness of the mattress on either side of the bed with just a push of a button.

**THE ELEGANT SLIDING GLASS DOOR**
separates the sleeping quarters from the rest of the coach for your privacy (available on 45A only).

**THE SPACIOUS BATHROOM**
includes a glass enclosed shower with skylight, featuring a remarkable curved glass shower door, a shower caddy for shampoo storage, Corian® walls with inlaid design and a residential style fixed shower head. You’ll also enjoy a Corian® lavy countertop with a stainless steel or Corian® sink, a Moen® or Delta® faucet and brass or satin nickel finished bathroom accessories that are tied to the decor chosen.
A TWO STAGE DUPONT® PAINT PROCESS is carefully applied to give the exterior a sleek look and beautiful shine. This process ensures only the best in quality and appearance.

SIDE-HINGED LUGGAGE DOORS open sideways, providing easy access to stored items. Specially designed hinge pins lock the exterior compartment door in the open position so the doors won’t swing shut when you are loading or unloading (most doors).

A 525 HORSEPOWER ENGINE (standard) provides plenty of power for hauling toys or traveling uphill. A 600 HORSEPOWER ENGINE (optional) provides even more power for hill climbing and towing.

THE NORCOLD® EXTERIOR REFRIGERATOR OR FREEZER (optional) conveniently slides out from the exterior compartment and is a great place to store cold drinks or frozen steaks for your barbecues.

THE LEATHER, FLEXSTEEL® EXTRA WIDE PASSENGER SEAT (optional) provides even more room to get comfortable on those long cross-country trips featuring 3-point integrated seat belts, lumbar support, electric footrest and a heat/massage feature.

THE EXTERIOR UTILITY COMPARTMENT provides a central place to change your whole-coach water filter, empty your holding tanks and access the water sprayer for quick clean-ups.

THE STYLISH FIBERGLASS REAR CAP features a two-piece rear ladder, chrome rockguard and high mounted taillights that can easily be seen by others, even if you are towing a vehicle.

GIRARD ROOF MOUNTED POWER AWNINGS WITH WIND SENSOR run the full length of each side of the coach, provide protection from the elements and automatically retract in wind over the specified setting (roadside window awnings are available instead of roof mounted awnings).

THE TOUCH PAD ENTRY SYSTEM allows you to easily lock and unlock your vehicle by conveniently punching in an access code.

THE 30” FRONT ENTRY DOOR WITH DEADBOLT AND PNEUMATIC AIR LOCK provides a specially designed window to increase visibility. The door also features a pneumatic air lock that reduces noise while driving.

THE FLUSH MOUNTED EXTERIOR WINDOWS are seamless against the exterior sidewalls for a very sleek look.
AMERICAN HERITAGE EXTERIOR/INTERIOR CHOICES.

Mix and match between four interior decor motifs and four wood finishes to create the vehicle that's right for you. Also choose from six dynamic exterior graphic choices, giving Heritage a unique eye appeal that is sure to draw attention on the road.

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.

2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.

3. Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.

4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing & braking capacities may differ. Refer to Fleetwood & chassis manufacturer manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).

7. Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.

8. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

1 The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

**Liquid Weight Reference:** Water (gal) = (8.3 lbs/3.8 kgs) Fuel (gal) = (7.1 lbs/3.2 kgs) Propane (gal) = (4.2 lbs/1.9 kgs)

**Metric Conversion:** Multiply pounds x 0.453 to obtain kilograms. Multiply gallons x 3.785 to obtain liters.

**IMPORTANT — PLEASE READ:** Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwood.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle’s capacities are not exceeded.

- Exterior Side Hinged Storage Doors w/Lockable Latch System & Drop Pin Retention System
- Power Luggage Door Locks w/Key Fob
American Coach Exclusive.

We set out to construct the most advanced and durable driving platform imaginable for an incredibly smooth ride. The result: The Liberty Chassis. Whether you’re traveling across the country to visit family, or meeting up with other proud owners at rallies across the nation, this American Coach exclusive design (patent pending) has a clear advantage in structural integrity, drivability and power over the competition. You won’t believe how well it handles and how comfortable your travels can truly be.

THE DRIVER’S AREA
includes a comfortable Flexsteel leather 8-way driver’s seat with lumbar support, massage and heat features. The revolutionary network computer technology combines many of the coach’s features into one integrated system; all trip information and the GPS is controlled from two display touch screens. You’ll also enjoy the driver’s memory pod that adjusts the position of the pedals, seat, and steering column to each driver’s specifications. You couldn’t imagine a more comfortable setup for the smoothest ride possible, no matter how long the journey.

THE SIDE-VIEW CAMERA
is turn signal activated and provides a video feed to the rear vision monitor for additional visibility to aid in lane changing.

THE VORAD SYSTEM
(Vehicle On-Board Radar) is a state of the art collision avoidance warning system with adaptive cruise control that can detect both objects and vehicles on the road by utilizing forward and side radar.

LIBERTY CHASSIS
2. Laminated Storage Liners. Easy to maintain, neat, clean look, durable.
4. All Steel Structure. Enhances driving experience, strength and longevity.
6. Independent Front Suspension w/55 Degree Turning Radius. Optimum handling, enhances driving experience.
LIKE NOTHING ELSE.
When American Coach set out to design the ultimate touring vehicle, we left nothing to chance. In order to create an RV that was truly superior to the competition, a rigorous testing process was created to ensure that the series functioned high above the curve, giving you the driving experience of a lifetime; and we succeeded. American Coach’s patented Vacu-bond® process takes the numerous components of the sidewalls, flooring and roof, and seals them in a vacuum to produce a single, solid structure with unmatched strength and integrity. If that wasn’t enough, we then used aluminum framing to further strengthen the vehicle’s structure and create a large carrying capacity. The lightweight aluminum design improves overall strength while helping to maintain a smooth and seamless ride. We only settle for the best, and with American Coach, we’ve given it to you.

THE AMERICAN COACH PROMISE.
In one word, quality. The American Coach team is passionate about understanding each of our proud owners. Customer’s wants, needs and suggestions are carefully scrutinized until the product meets or exceeds their standards. Always improving, constantly evolving and never satisfied, that is American Coach.

SERVICE: Our team of experts travel to countless rallies across the nation to provide world class service. Through this process, they get to know customers first hand, and in turn, deliver the highest level of service and satisfaction.

PLANT TOURS: Our doors are always open to those who call American Coach home. We welcome you to call 800-648-6582 for more information, or to set up a time to come visit us.

VIP FACTORY DELIVERY: Our optional VIP delivery service gives you an ideal opportunity to learn everything about your new vehicle from the very people who proudly designed and built it.
What Drives You?

Maybe it’s feeling like you’re the only one on Earth. Perhaps it’s the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends. Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we’ve shared that passion with you. Because we’re RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you’ll feel like you’re not just traveling, but embarking on an experience unlike any other. Set your own course for adventure and get out there and explore the world around you. Once you do, you’ll see what it is that drives us — it’s you.

RV OWNERCARE* is a limited one-year/15,000-mile coach warranty and three-year/50,000-mile structural warranty, whichever occurs first, and it is fully transferable for the first 12 months. RV OWNERCARE is one of the RV industry’s most comprehensive programs and includes systems, appliances, components and construction, with no deductible and no service charge. RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest American Coach dealer for a full explanation of benefits and restrictions.

FLEETWOOD TRAVELCADE CLUB As a Fleetwood owner, you’re eligible to become a member of our owners’ group, Fleetwood Travelcade Club. It’s a perfect way to meet other Fleetwood owners who love to travel across America and share in the RV lifestyle. Call (877) 577-2560 or visit www.fleetwood.com/clubs to learn more and join the fun! American Coach owners can join two great clubs. For more information visit American Coach Association at www.americancoachassoc.com or American Coach Chapter of FMCA www.americancoach-fmca.com.
