Bold. Lush. Exhilarating. Consider the 2009 American Heritage a fine wine – made to please the most sophisticated palettes. From cockpit to cabin, every last detail is meant to be savored. Feast your eyes on dazzling new Patriot and Camelot graphics packages, painted in rich reds and sparkling silvers. Enjoy all-new designer-selected woods and fabrics, in the most traditional styles. Feel the powerful, 500 or optional 650 horsepower Cummins® engine carry you from departure to destination. That’s just skimming the surface. With the 2009 Heritage, you’ll find something new to love every day you own it. Uncork the excitement.
American Heritage 45B Shown in Linen Chiffon interior décor with Imperial Cabernet cabinetry.
WHO SAYS YOU CAN'T HAVE IT ALL?

Choosing American Heritage means never having to compromise style for substance. Inside the coach, solid wood gives everything from cabinets (available in flat panel and raised panel design) to ceilings breathtaking beauty. Wonderfully detailed crown molding next to hand-picked light fixtures only heightens the elegance. But there's more to the Heritage experience than just good looks. Theater-quality entertainment is par for the course. You'll enjoy deluxe electronics like a 46” Sony® LCD TV and a Bose® Entertainment System. You'll watch every movie and show while lounging on plush sofas, in your choice of attractive interior decors. It's all the finer things in life – in one place.
REFINED STYLE MEETS OPULENT FUNCTIONALITY.

Whether you’re a master chef or a master of the microwave, the Heritage galley has what you need. Fix your meals on exquisite, polished granite countertops – a perfect match to the mosaic tile inlays in the kitchen’s backsplash. Achieve gourmet results with an easy to clean, electric cook top. Store fresh food for days with a side-by-side, residential sized refrigerator. When you’re finished cooking, set the scene at your convenient dinette with extra wide, 18” top surface. With a galley this incredible, you’ll make more than meals – you’ll make memories.
It's the sanctuary you've always wanted, and it's all yours. Imagine the luxury of a glass-enclosed shower, complete with mosaic tile inlay and polished porcelain tile flooring. Featuring a massaging, hand-held, Kohler® showerhead, it's the ultimate in relaxation. Adjacent is the vanity, which welcomes you with ample drawer storage, gleaming chrome hardware and plenty of room to get ready. Then, of course, there's the bedroom. End the night on a regal Select Comfort king-size mattress (optional) watching your crystal-clear Sony® LCD screen and listening to a Bose® 3-2-1 Home Theater System. Simply magic.
You've reached the top of your game. Now it's time to play.

Stepping into the cockpit of the 2009 Heritage is like stepping into the winner's circle. With a low profile, ergonomically designed dash, you'll be in command. And with the ingenious Navion® R5000 system on your side, you'll be in control, too. The all-in-one R5000 gives you an AM/FM radio with CD player, convenient navigation system, mp3 compatibility and a rear vision monitor. Plus, smart, side view cameras are integrated into the rear view mirrors, for maximum safety in every situation. And comfort is key. Besides a fully adjustable, leather captain's seat, dual-dash air conditioners with separate controls keep you and your passenger cool for miles. We've thought of everything - so you can sit back and enjoy the ride.

OUR LEGACY CONTINUES.

For years, American Coach has stood behind the same core philosophy. We don’t just simply build to industry standards alone, we also build to customers standards. Our team refuses to settle for sub-standard parts or low-quality construction. No short cuts. No cheap materials. No substitutions. Just painstaking attention to detail by the best and most dedicated craftsmen in RV manufacturing. The end result of our efforts is a coach of strength, integrity and overwhelming beauty. One that we’re just as proud to stand behind as you will be to own.

Coach-Net®

Now all 2009 American Coach products come standard with one year of Coach-Net Service. 24/7, 365 days a year service is just a phone call away. See your American Coach dealer for details.
Technology this groundbreaking requires an expert team. That's why American Coach and Spartan decided to join forces - to create a rugged, modular chassis system for an incomparable driving experience. Since 2004, the American Coach line has been built on the Liberty Chassis, an integration of superior American Coach framing technology and the Spartan Chassis modular system, providing the strength and structure for a ride unrivaled in the luxury coach industry. So even coupled with a high-performance diesel engine, you'll enjoy the lowest levels of vibration for the smoothest riding coach on the road. Consider it our salute to integrity.

* UVW and OCCC are found on the label containing the federal certification tag in each RV.
* Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

---

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo carrying capacity.
2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
3. GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer’s manuals for complete information.
4. Length measured from front bumper to rear bumper (excludes accessories).
5. Excludes safety equipment and awnings.
6. Motor homes feature a body-width over 96” which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
7. Tank manufacturer’s listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.

**Liquid Weight Reference:**
- Water (gal) = (8.3 lbs/3.8 kgs)
- Fuel (gal) = (7.1 lbs/3.2 kgs)
- Propane (gal) = (4.2 lbs/1.9 kgs)

**Metric Conversion:**
- Multiply pounds x 0.453 to obtain kilograms.
- Multiply gallons x 3.785 to obtain liters.
- Multiply liters x 61 to obtain cubic inches.
