2010 AMERICAN HERITAGE

## WHO SAYS YOU CAN'T HAVE IT ALL?

Choosing American Heritage means never having to compromise style for substance. Inside the coach, solid wood gives everything from cabinets to ceilings a breathtaking beauty. And wonderfully detailed crown molding next to hand-picked light fixtures only heightens the elegance. But there's more to the Heritage experience than just good looks.

Whether you're a master chef or a master of the microwave, the Heritage galley has what you need. Fix your meals on exquisite, polished quartz countertops. Get gourmet results with an easy to clean, electric cook top. Store fresh food for days with a side-by-side, residential sized refrigerator. And when you're finished cooking, set the scene at your convenient dinette with extra wide, 18" top surface. With a galley this incredible, you'll make more than meals – you'll make memories.
