(Also available in Freedom graphics.)

*The important moments
stay with you always.*

INTRODUCING THE 2009 AMERICAN EAGLE

One glance and it all comes rushing back...the look you can't take your eyes off of...the touch that's exciting and yet perfectly comfortable...suddenly your heart is soaring. American Eagle's irresistible style, performance and luxury make it easy to fall in love again, for the very first time.

YOUR FIRST BUTTERFLIES:

*It's that glorious feeling -
words just can't describe it.*

American Eagle 42P shown in Vintage Vanilla with Regency Cherry wood cabinetry.

2009
AMERICAN EAGLE

*Accelerated heart rate, excited breathing.
The magic moment.*

Step inside and embrace the loving details... exquisite woodwork, romantic ceiling lighting (with dimmers, of course), the rich leather sofa, and tastefully designed furnishings. That wonderful sound you're hearing isn't your heart beating; it's the advanced Bose® entertainment system.

THE FIRST BOND:

*That first time you experience
a real connection – what
a rush. The one that truly
touches your heart is found.*

*If you don't take the plunge,
you'll never know the rush.*

True love gives you space. With its roomy work surfaces
and optional, full-sized refrigerator, the gourmet kitchen holds all
the ingredients for your culinary fantasies. After dinner at the romantic
dinette, slip the dishes in the dishwasher (optional) and relax.

Love was meant for this.

**THE FIRST
NEW BEGINNING:**

*Down the isle, a ring, a kiss a promise
and a very special person to
share your life with.*

2009
AMERICAN EAGLE

2009
AMERICAN EAGLE

HOME
is where your
story begins.

*There's no place like home,
especially when it's your first.*

2009
AMERICAN EAGLE

Bask in the glow of the beautifully appointed vanity and rejuvenate in the spa-inspired shower. With Kohler faucets throughout, you'll be forever enchanted. And at the end of the day, your Sony® wide screen TV will win your heart as you relax in the opulent comfort of your private master retreat.

2009
AMERICAN EAGLE

Let the adventure begin.

Once in a lifetime you find it. The perfect combination of an adventurous spirit and a taste for luxury. American Eagle has it all. Slip into your luxurious captain's chair and gaze across the low profile, ergonomically designed dash. Then look out the window at the road ahead, and you'll see it all clearly. This is where your heart is. American Eagle can take you there.

TWO BECOME ONE

and the promise of a new beginning, a new adventure commences.

Sleek yet functional. Solid wood drawers provide ample room for all your driving necessities and a curved integrated design that hides them away when not in use.

A classic aeronautical appearance reveals an ergonomically designed dash instrumentation panel. All gauges are back lit and highly visible through a leather and burl wood trimmed smart wheel.

Designed to easily guide you to your destination with ease and comfort is the Navion® R5000 infotainment center. This multifunctional, state-of-the-art system comes with AM/FM/CD player, MP3 port, engine monitoring and rear vision camera all in one.

**YOUR FIRST
LITTLE ONE.**

*A new life,
a new passion.*

Great expectations – delivered.

For years, American Coach has held the same core philosophy. We don't just simply build to industry standards alone, we also build to our customers' standards. Our team refuses to settle for sub-standard parts or low-quality construction. No short cuts. No cheap materials. No substitutions.

Just painstaking attention to detail by the best and most dedicated craftsmen in RV manufacturing. The end result of our efforts is a coach of strength, integrity and overwhelming beauty. One that we're just as proud to stand behind as you will be to own.

THE LIBERTY CHASSIS.

Technology this groundbreaking requires an expert team. That's why American Coach and Spartan decided to join forces - to create a rugged, modular chassis system for an incomparable driving experience.

Since 2004, the American Coach line has been built on the Liberty Chassis, an integration of superior American Coach framing technology and the Spartan Chassis modular system, providing the strength and structure for a ride unrivaled in the luxury coach industry.

So even coupled with a high-performance diesel engine, you'll enjoy the lowest levels of vibration for the smoothest riding coach on the road.

Consider it our salute to integrity.

Coach-Net[®]

Now all 2009 American Coach products come standard with one year of Coach-Net Service. 24/7, 365 days a year service is just a phone call away. See your American Coach dealer for details.

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motor home. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo carrying capacity*.
 - GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 - GCWR (Gross Combined Weight Rating) is the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor home with its towed vehicle. Towing and braking capacities may be different. Refer to American Coach and chassis manufacturer's manuals for complete information.
 - Length measured from front bumper to rear bumper (excludes accessories).
 - Excludes safety equipment and awnings.
 - Motor homes feature a body-width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 - Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- N/A = Not Applicable
- * UVW and OCCC are found on the label containing the federal certification tag in each RV.
- † The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependant on the weight of the towed load. Consult with hitch receiver manufacturer for further information.

IMPORTANT — PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.AmericanCoach.com or contact your local American Coach dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. American Coach has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
