

Lil' BIGFOOT

B13.5

LIGHTWEIGHT CHAMPION OF THE 80's

BIGFOOT

Lil' BIGFOOT

the outstanding fully insulated 13.5 foot RV trailer designed especially for compact vehicle owners.

Available at a price comparable to some tent trailers, but with the convenience and security of a hard wall trailer, Lil' Bigfoot offers a standard of comfort and equipment that has to be seen to be believed!

As with all Bigfoot recreational vehicles this exciting addition is lightweight, watertight, aerodynamic and has superior insulation properties.

Construction details:

A marine overlap seals the only seam in the two piece fibreglass body, providing a durable, easy to maintain surface that is as dust free and waterproof as any trailer on the market.

An approved foam insulation in walls and ceiling keeps the Autumn air at bay.
