Realize Your Dreams

<http://www.yachttools.com>

We all have dreams. Some of us dream of adding more adventure to our lives. Others dream of breaking out of the chains of routine. Still others dream of embarking on a more fulfilling life journey. Whatever your particular dream may be, the all-new Wanderlodge LXi will set you on the right course to turn that dream into a reality. Each day will brim over with opportunity and possibility. No rules. No limits. No boundaries. Just the unlimited freedom to go wherever your dreams may take you. Do you dare to realize your dreams?

Wanderlodge LXi

Redefining Luxury

Other coaches may give you the option of customizing luxury. On the LXi, it comes standard. It delivers unparalleled luxury and classic styling. From the designer cabinetry . . . to the lavish appointments . . . to the state-of-the-art sound system . . . no detail has been spared. The LXi is truly the new standard by which other luxury coaches will be measured.

Ergonomically designed driver area

32-inch front LCD screen

Panasonic 5.1 Dolby digital surround sound DVD/VCR entertainment system, in-motion satellite and GPS system

Spacious, glass enclosed shower

Rugged Good Looks

Solid construction and superior performance make the LXi one-of-a-kind. It has been carefully engineered to withstand the wear and tear of life on the road.

The sturdy, integrated stainless steel body/chassis construction ensures more structural integrity than fiberglass motorhomes.

As for handling, the LXi is like driving a finely tuned automobile. The new independent front suspension system – with a 54° turning angle – allows you to maneuver in and out of the most constricted areas.

So whatever may lie ahead on the road, you'll be ready.

At Blue Bird, we want to make sure your Wanderlodge experience is everything you imagined. That's why we offer an exclusive new 5-year/3-year warranty.

See your Wanderlodge dealer for full details.

High performance 525hp Caterpillar C13 engine with industry leading ACERT emissions-compliant technology

Engineered specifically for a motor coach, the LXi features a fully integrated stainless steel body/chassis construction for durability and strength

High-strength, corrosion-resistant stainless steel structure/skin and a one-piece all aluminum roof frame ensure structural integrity

The slide-outs utilize a unique linear bearing design to create more space and ensure reliability

- *New independent front suspension and rear suspension system with six outboard airbags for optimal handling*
- *Full multi-plex electrical system for improved diagnostics and reliability*
- *Vertical roof exhaust to ensure that any vehicle in tow will remain clean*

To guarantee absolute quality control, Wanderlodge designs and builds the entire LXi all under one roof – from frame rails to finish

Join the Family

Owning a Wanderlodge LXi doesn't just open the door to a whole new life. It allows you to become a part of the industry's most welcoming motor coach family: the Wanderlodge Family of Friends. With a well-established member roster, they enjoy special benefits and amenities, plus the opportunity to share experiences with other Wanderlodge owners at rallies throughout the year—including our Rally in the Valley. Come join the fun.

It's Your Dream Come True

Here's your chance to realize the dream of owning a Wanderlodge. To help you get started on the journey, we're extending a personal invitation to you to come tour our manufacturing facility. We'd also like to encourage you to visit a Wanderlodge dealer to test drive the LXi. You'll discover firsthand what owning a Wanderlodge can mean to you and your family. Isn't it time to fulfill your dreams?

To schedule a plant tour, or find a dealer near you, contact Wanderlodge at 1-800-486-7122, or visit us online at www.blue-bird.com.
