Carri-Lite—made for family travel. The wide-body style of this fifth wheel creates a truly spacious interior. The available options for the living room ensure that the needs of every family member are met—flat screen television, Euro Chairs with footstools, sofa-sleeper, built-in desk, and much more. In addition, you have the ability to further customize your Carri-Lite by selecting from a variety of décor options and cabinetry finishes.
A kitchen unto itself. No expense was spared in designing the Carri-Lite kitchen. Equipped with full-size appliances, a double acrylic sink, and plenty of storage space, this kitchen makes meal preparation a pleasure. Your kitchen also comes appointed with a freestanding table, extra leaf to accommodate the entire family, two chairs, and two folding chairs.
All the features of home. The bedroom suite offers the perfect combination of spacious luxury, privacy, and efficiency accented by hardwood trim and cabinetry. The unit features a tub/shower with an overhead skylight and a vanity with a mirror, lights, and Corian countertop.

Storage space becomes critical when traveling with family. As a result, the bedroom suite comes equipped with plenty of drawers, cabinets, and cedar lined wardrobes.

Another important component of any bedroom suite is the décor. Enjoy the beauty of a deluxe fitted bedspread with pleated skirt and pillows, wood headboard with fabric inlay, and brushed nickel fixtures.
