

CONCORD™

By Coachmen

It's Your Turn.

When you go RVing, there's one thing you should always leave behind: worry.

At Coachmen, our no hassle warranty is our commitment to you, to assure your ongoing satisfaction. This no hassle warranty means that we won't refer you back to some supplier you've never heard of. We won't bounce you back and forth between the dealership and the factory. Our dealers are authorized to solve your problems on the spot and get you on your way without fuss, hassle or red tape.

Also, should you ever need service or repair; it is easy to find one of the hundreds of Coachmen dealers or authorized repair centers nationwide.

We take pride in working with you to keep your RV experience as enjoyable as possible. Our toll-free service hotline (800-453-6064) and online service support center (located @ easyRVing.com) provide you access to a Coachmen service representative as well as access to warranty coverage information, maintenance information, troubleshooting tips, dealer locations and other helpful information on demand. We're with you every step of the way. Coachmen. You couldn't ask for an easier traveling companion.

To see how Coachmen is making the easy life even easier, visit www.easyRVing.com or call **800.353.7383**.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in prices, colors, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.

CONCORD™

By Coachmen

Luxurious Freedom

Travel comfortably in the well appointed Concord. The 275 DS shown here features a U-dinette option in the sliderroom, along with a standard Euro chair on the door side. The state-of-the-art entertainment center features a class leading 26" LCD television, DVD player and Bose® Wave radio sound system. (Lakeside Maple cabinetry and Calypso Khaki decor)

The Concord cockpit surrounds you with automotive styling, including a durable plastic molded headliner, power windows and locks, cruise control, multiple drink holders, dual side airbags, upgraded dash stereo system, and two-toned captains chairs.

The upgraded dash stereo features a CD player and built-in weatherband. This stereo easily adapts to satellite radio, navigation systems and side view cameras.

With the touch of a button, the integrated backup monitor automatically flips out of the dash radio for a confident rear view.

CONCORD™

By Coachmen

“Free, agile...spontaneous” are a few of the words that describe how you’ll feel when traveling in the Concord by Coachmen. Concord maneuvers with comfort and ease in any driving situation – across town or across the country.

A space saving hide-a-bed sofa is standard equipment on Concord.

Relax and enjoy music and movies comfortably in the versatile Concord. The cut away cab area maximizes living space and provides easy access to the captain’s chairs. The 300 TS shown here features three space expanding sliderooms, along with an ultra leather hide-a-bed sofa option. (Shown in Brazilian Cherry cabinetry and Saffron Geo decor)

Brazilian Cherry

In the modern kitchen, you will find stainless steel style appliances like a convection microwave oven, sealed burner cooktop range, and double door refrigerator.

Access drawers easily with full extension drawer guides.

Lighted cedar lined wardrobe closets keep your clothes smelling fresh.

Relax in the designer bedroom. With elegant details, including a space expanding bed slide and large windows this bedroom rivals those found in much larger motorhomes. (Select models)

The spacious and inviting interior of the 300 TS Concord features raised panel cabinet doors, plush short shag carpet, an upgraded lighting package and designer interior appointments throughout. (Shown with Brazilian Cherry cabinetry and Saffron Geo decor)

Outstanding Design

The coach command center provides a single panel for commonly used gauges and switches.

The lighted exterior grab handle is easy to see at night.

Concord's class leading exterior storage gives you the extra space you need.

Enjoy the outdoors more with the exterior entertainment center and remote control.

Curved sidewalls and entrance door

TPO roof covering

Slick exterior sidewall material

Rear perimeter caps

Extra wide running boards for solid footing in and out of the cockpit

Firestone Ride-Rite® air assist suspension

Raised departure angle enhances rear ground clearance

LED driving lights are extra bright and long lasting

Heavy duty 5,000 lb. tow hitch

GVWR (Gross Vehicle Weight Rating):

The maximum permissible weight of the unit, including the UWW plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

GAWR (Gross Axle Weight Rating):

The total weight each front/rear axle, suspension and tire system is designed to carry. When loading the unit, care should be taken to balance cargo weight in consideration of the GAWRs.

GCWR (Gross Combined Weight Rating):

The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

IMPORTANT NOTE:

All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional breaking capacity to tow loads greater than 1000 lbs. Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.
