When you go RVing, there's one thing you should always leave behind: worry.
At Coachmen, our **no hassle warranty** is our commitment to you, to assure your ongoing satisfaction. This no hassle warranty means that we won't refer you back to some supplier you've never heard of. We won't bounce you back and forth between the dealership and the factory. Our dealers are authorized to solve your problems on site and get you on your way without fuss, hassle or red tape. Also, should you ever need service or repair, it's easy to find one of the hundreds of Coachmen dealers or authorized repair centers nationwide.
We take pride in working with Coachmen. You couldn't ask for with you every step of the way. Information on demand. We're dealer locations and other helpful information, visit www.easyRVing.com or call 1.800.353.7383.

Easy to Enjoy. Honest.

Pete, the Coachmen mascot, symbolizes our commitment to being your best friend on the road. Like Pete, we're always there to make sure everything about your Coachmen is as easy and uncomplicated as possible, so you can escape from the hassles and worries of everyday life and enjoy RVing.

Easy to Use. Really.

Our motorhomes, fifth wheels, travel trailers and folding campers are designed to be easy to use, easy to enjoy, easy to own. And our no hassle warranty keeps them that way.

Coachmen

AT COACHMEN, we're all about easy. Our motorhomes, fifth wheels, travel trailers and folding campers are designed to be easy to use, easy to enjoy, easy to own. And our no hassle warranty keeps them that way.

To see how Coachmen is making the easy life even easier, visit www.easyRVing.com or call 1.800.353.7383.

COACHMEN | 2008 FREELANDER CLASS C MOTORHOMES

Your Coachmen will be easy to buy, easy to use and easy to own. That's our promise to you. We accomplish this in big ways through clever designs and superior support after the sale. But the real measure of being "easy" is in the count-include throughout your new service representative as well as access to warranty coverage information, maintenance information, troubleshooting tips, dealer locations and other helpful information on demand. We're proud to work with Coachmen centers nationwide.

Easy.
Step Into the Easy Life.
Coachmen 2008 Freelanders™

Coachmen
Life should be so easy.

It's **Easy.**

Whether you've outgrown your tent camper or you're just ready to explore the motorhome lifestyle, the easy life begins with the Coachmen Freelanders. Stylish, roomy and affordable, Freelanders has everything you and your family need to enjoy the great outdoors in comfort and convenience. What's more, Freelanders has tons of storage space, so you can take all your gear wherever the road leads you. And Freelanders is backed up by Coachmen's no hassle warranty and a nationwide network of service centers.

Ready for adventure? It's as close as your nearest Coachmen dealer!

Freelanders™

The unique Freelanders Fast Lane (3130IS) is the perfect motorhome for the family on the go. From tailgating to enjoying an evening with the family, the huge sofa lounge, island countertop and marine style stools make it easy for everyone to join in on the fun. (Shown in Windsor Wine decor)

Freelanders Class C Motorhomes

Features that matter.

EASY CONVENIENCES

Freelanders makes it easy to take it all with you. The huge exterior compartments have more than 100 cubic feet of storage space (most models) while the industry-leading 56-gallon fresh water system allows you to enjoy the great outdoors even longer.

Fresh Water System	
Freelanders 56 Gallons	Other Brands 41 Gallons

EASY RESTING

Freelanders accommodates the whole family in comfort for an easy night's sleep. Most models have residential-size queen beds (not the short variety usually found in RVs), a roomy bunk over the cab and on some models an easy-to-convert hide-a-bed sofa.

The surprisingly spacious 2130QB provides ample seating in the U-dinette booth as well as plenty of sleeping space, so the whole family can relax in comfort.

SuperSlide Models

GVWR (Gross Vehicle Weight Rating): The Maximum permissible weight of the unit, including the U/V plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

CW (Curb Weight): The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment, and accessories can be determined by subtracting the CW from the GVWR.

GAWR (Gross Axle Weight Rating): The total weight of each front/rear axle, suspension and tire system is designed to carry. When loading the unit, care should be taken to balance cargo weight in consideration of the GAWRs.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicle with a maximum 96" width, although special road usage permits may be available. Vehicles up to 102" in some width are permitted in the vast majority of states. You should confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offers in the standard 96" width.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belt should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Through extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

Freelander – Easy Exterior Features

Automotive style dash is loaded with conveniences like power windows and locks, cruise control, power steering, drink holders, dual air bags and dash stereo CD player that make driving simple and easy.

Coach command center makes it simple to use many of the commonly used gauges and switches.

The standard ceiling skylight makes the living area lighter and brighter (SuperSlide Models).

Optional overhead entertainment center includes a 26" LCD TV, DVD player and a Bose® Wave radio sound system. It loads the Freelander with fun for the whole family while still allowing room for a bunk that can sleep a full-size adult.
