

Life should be so easy.
Coachmen Recreational Vehicle Company, LLC
P.O. Box 30, Middlebury, IN 46540

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including changes in price, color, materials, equipment and specifications, as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any material design or specifications that are material to your purchase decision.

When you go RVing, there's one thing you should always leave behind: worry. At Coachmen, our **no hassle warranty** is our commitment to you, to assure your ongoing satisfaction. This no hassle warranty means that we won't refer you back to some supplier you've never heard of. We won't bounce you back and forth between the dealership and the factory. Our dealers are authorized to solve your problems on site and get you on your way without fuss, hassle or red tape. Also, should you ever need service or repair, it's easy to find one of the hundreds of Coachmen dealers or authorized repair centers nationwide. We take pride in working with Coachmen. You couldn't ask for an easier traveling companion.

Easy to Enjoy. Honest.

Your Coachmen will be easy to buy, easy to use and easy to own. That's our promise to you. We accomplish this in big ways through clever designs and superior support after the sale. But the real measure of being "easy" is in the count- less thoughtful touches we include throughout your new and enjoy RVing. When you go RVing, there's one thing you should always leave behind: worry. At Coachmen, our **no hassle warranty** is our commitment to you, to assure your ongoing satisfaction. This no hassle warranty means that we won't refer you back to some supplier you've never heard of. We won't bounce you back and forth between the dealership and the factory. Our dealers are authorized to solve your problems on site and get you on your way without fuss, hassle or red tape. Also, should you ever need service or repair, it's easy to find one of the hundreds of Coachmen dealers or authorized repair centers nationwide. We take pride in working with Coachmen. You couldn't ask for an easier traveling companion.

AT COACHMEN, we're all about easy. Our motorhomes, fifth wheels, travel trailers and folding campers are designed to be easy to use, easy to enjoy, easy to own. And our no hassle warranty keeps them that way.

COACHMEN | 2008 MIRADA CLASS A MOTORHOMES

2008 Coachmen Mirada™
Make It a Family Affair.
Easy.

Step right up to Mirada!

Ready to step up to the motorhome lifestyle? Then you're ready for Mirada! Mirada combines fresh good looks with all the comfort and convenience you'd expect from a Coachmen motorhome. What's more, Mirada is packed with fun, family-friendly features you won't find on competitors' coaches. And Mirada is backed up by Coachmen's no hassle warranty and a nationwide network of service centers. For easy-living style and trouble-free convenience wherever the road takes you, Mirada is the easy choice. And it all comes at a remarkably friendly price to make buying easy as well.

Mirada™

Spacious interiors, residential amenities and easy to use features are hallmarks of the Mirada. Seen here (310DS) is a flush floor slide room, 26" LCD television, residential window treatments and well equipped galley.

Mirada Class A Motorhomes

Features that matter.

EASY STORAGE

With Mirada, the easy life always goes with you. It has all the storage space you could need, including a huge easy lift-up under-bed storage, and large exterior cargo compartments that hold enough gear for a weekend at the campground or a week in the Rockies.

EASY ENTERTAINING

From the built-in surround sound system and optional DVD player to the large LCD flat screen TV (most models), Mirada makes all your travels fun-filled, and simple to enjoy. The 350DS bunk house model even has a standard 15" LCD TV in the bunk area to keep the kids entertained.

Base Weight: The weight of the unit with no fluids, cargo, optional equipment or accessories.

Carrying Capacity: This is the amount of weight available for all fluids, cargo optional equipment and accessories. The actual "loaded" weight will depend on the owner's individual choice of cargo, etc.

GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the U/VW plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

CW (Curb Weight): The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment, and accessories can be determined by subtracting the CW from the GVWR.

GAWR (Gross Axle Weight Rating): The total weight of each front/rear axle, suspension and tire system is designed to carry. When loading the unit, care should be taken to balance cargo weight in consideration of the GAWRs.

GCWR (Gross Combined Weight Rating): The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Wider Widths: Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicle with a maximum 96" width, although special road usage permits may be available. Vehicles up to 102" in some width are permitted in the vast majority of states. You should confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offers in the standard 96" width.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

☼ Efficient, convenient to use and easy on the eye, the galley sports all the important amenities of home, including a space-saving under-sink silverware drawer.

Always making RVing easier!

Peace of mind and convenience are key ingredients to an easy, enjoyable RVing experience. In these areas Mirada stands high above other motorhomes in this category.

Mirada lets you know what's happening: Up front you can see the road close up with our smartly angled Sight Rite™ high-visibility dash. Side mirrors easily adjust from the driver's seat for easy lateral visibility, and a standard rear observation system with dash monitor means there's a confident rear view.

Peace of mind starts on the road with our one-piece windshield and hidden, horizontal wipers. These give an unobstructed view of the road at all times (n/a in 300QB)

What's more convenient than giving the kids their own permanent sleeping place? You've got it with the bunk bed/entertainment zone available on our 350DS model.

Forget the messy job of connecting and disconnecting the sewer hose. Our No Mess™ termination system and its swivel boom make hose storage and dumping easy. Paired with our Water Works™ utility panel that makes all filling draining and winterizing simple, you will know that all your water systems are clean, safe and easy to handle.

Don't worry about which side of the gas pump you pull up to. Mirada's fuel fill is in the rear of the coach where you can reach it from both sides (Select models).

If you need to find a switch or a gauge, it's probably here in the easy to use central command panel.
