“Coachmen RV... Great Product, Great Price, Great Camping”
The Catalina 323BHDS is one of our top selling family floorplans. This slideout travel trailer floorplan sleeps 9-10 comfortably. Have a big family? This is the floorplan for you, the 323BHDS is available with an optional full size camp kitchen that includes a refrigerator, camp stove, overhead cabinets, silverware and utility drawers and the hot and cold water at the sink drains into its own 30 gallon holding tank. This is a great way to feed the hungry troops while keeping the mess outside.
283RBKS

This is our entertainers floorplan. This floorplan offers the best of both worlds, abundant kitchen storage and a large bathroom space in an easily towable unit. The 283RBKS is also one of our select floorplans that includes a Fireplace/Entertainment Center STANDARD and is available with an optional full size camp kitchen.

Shown with optional TV

283RBKS with Camel decor (Back to front view)

283RBKS Kitchen
(Reversible refrigerator insert set to Grace Cherry)

Large bathroom featuring abundant storage
293QBCK
Catalina’s 293QBCK is designed to sleep 7-9 comfortably, the triple bunk coa-cube bedroom is a great sleeping/entertainment area. The STANDARD pull out camp kitchen includes a pull out countertop, mini fridge, camp stove and sink with hot and cold water.
The 333RETS is a rear living couples coach. This unique layout includes a more functional living room with the entertainment center closer to the seating, it also features numerous windows that let in an abundance of natural light. The corner kitchen design offers more countertop space than similar competitive floorplans.

333RETS
The 333RETS is a rear living couples coach. This unique layout includes a more functional living room with the entertainment center closer to the seating, it also features numerous windows that let in an abundance of natural light. The corner kitchen design offers more countertop space than similar competitive floorplans.
Beauty and Benefits

In every Coachmen Catalina quality is evident. We go above and beyond to offer features and benefits designed with the traveling camper in mind. Our superior benefits are a combination of practical features and construction practices that give our customers a coach that will last. It's just another way Coachmen proves we are "The Leader to the Great Outdoors".

Full 6 sided R-7 eco-batt insulation. This is a new and sustainable technology

Catalina’s exclusive tire and rim package includes: radial tires, polished aluminum fender skirts and e-coat maintenance free rims

Four (4) stabilizer jacks
Standard on all models
(Most competitors offer this as an option not a standard)
Our standard 6 gallon gas/electric DSI water heater allows you to fire up your water heater quickly and easily from inside your Catalina. It also features a great quick recovery feature which allows you to heat up to 16.2 gallons of hot water per hour. So whether you are washing the dishes or taking a shower, you’ll always have plenty of hot water.

T-mold edge countertops are easily degraded by exposure to liquids, the counterop pictured to the right was exposed to water for less than 24 hours. We check ALL of our coaches for water leaks by pressurizing the unit and then using a Seal-Tech spray on every part of the unit to identify any problem areas.

We pressurize the LP gas line to test for leaks and ensure that your unit is safe and all LP gas components are in working order. A thorough electrical check makes sure that all electrical components are in working order, and that no electrical connections have been compromised during construction.

The floor is the base and key component of your RV. Therefore, we refuse to build anything but the best. Beginning with building the frame on 12”-16” centers, and bolting as well as gluing the 5/8” tongue and groove plywood, our methods and materials set us apart from the competition.

Our full radius smooth metal front end creates a more aerodynamic unit providing:
- Better airflow
- Improved fuel costs
- Better towability
- Easy to clean

Thermofoil Countertop Benefits:
- Pull Test—It pulls at 450-500 PSI. It will pull the core apart before the Thermofoil gives.
- Cold cracks—Will not cold crack like a T-mold Edge or Self-Edge.
- Moisture Exposure—It will withstand moisture better than T-mold Edge or Self-Edge because it is sealed so that no water can penetrate.

A pressurized LP line test ensures that your unit is safe and all LP gas components are in working order.

All of our craftsmen are thoroughly trained to use a framing table with jigs and clamps. This ensures that the cabinets are built to extremely tight tolerances for tight and secure cabinetry that will last for years.

Our standard 6 gallon gas/electric DSI water heater allows you to fire up your water heater quickly and easily from inside your Catalina. It also features a great quick recovery feature which allows you to heat up to 16.2 gallons of hot water per hour. So whether you are washing the dishes or taking a shower, you’ll always have plenty of hot water.
Exterior Standard Features

- Cambered structural steel I-Beam frame (with full width out riggers)
- 3/8” Fully decked walk-on roof
- Residential in-floor ducted heat (N/A- 213BH, 223FB, 273BH)

A Proud History of Quality and Value..... A Brand That You Can Trust!
Coachmen RV products have been on the US roads and highways since 1964. The first Coachmen RV products were manufactured in a 5,000 square foot plant in downtown Middlebury, Indiana. Coachmen’s first year of production included 12 travel trailers, a single truck camper, and 80 truck caps. Since that time, over 600,000 Coachmen Recreational Vehicles have been produced.

2014 has been a Banner Year here at Coachmen and YOU are the reason! Concluding the celebration of Coachmen’s 50th Anniversary, Catalina would like to reward our outstanding Dealers and Customers for their continued business! There is no better way to reward you than with the Banner Edition Package! Our Banner Edition Package will only be offered in the 9 select floor plans below. All of our best options have been combined into a FREE Banner Edition Package. At Coachmen Catalina, we overtly express our gratitude to those who have already become a part of the Coachmen Family and warmly welcome those future campers that choose Coachmen Products. Thank you for your business!

See Specification tables on previous pages for more information.
TRA GOLD Certification

See Specification tables on previous pages for more information.
