# Pop Up! DESTINY SERIES — A VERY ECONOMICAL CHOICE!

TUCSON • YUMA • SEA PINE

Associate Stephanie Shulman  
and Husband Randy  
(Accounts Payable, 7 years service)

## GREAT CAMPFIRE SNACKS...

### COOKIE S'MORES

- Marshmallows
- Chocolate bar
- Cookies of your choice

1. Roast marshmallows over fire to your preference
2. Place marshmallow and chocolate between 2 cookies  
(If using a filled cookie (Nutter type) separate the cookie keeping filling on one side, and place roasted marshmallow and chocolate in-between.)
3. Smash together like a normal S'more.

When you want quality, comfort and convenience at a great price, the Destiny Series is just what you are looking for!

FOR SPECIAL SAVINGS CONSIDER THE OPTIONAL VALUE PACKAGE

# PopUpAmericana Series — AFFORDABLE FAMILY FUN!

COLONIAL • RESOLUTE • VICTORY • ALLEGIANCE • VALOR • RUSHMORE

"Roughing it" in the outdoors takes on a new meaning with the Americana Series!

- Swing-Level® Galley
- Steppe™ Door
- Waist level crank
- Crank-down stabilizers

(See page 8 & 10 for feature descriptions)

# Pop-up GRAND TOUR SERIES — TOTAL CAMPING COMFORT!

UTAH • BAYSIDE

## GREAT CAMPFIRE SNACKS...

### TRAIL MIX

- Fruit Loops • Banana Chips
- Honey Nut Cheerios
- Cheese Crackers • Pretzel Sticks
- Peanuts or Cashews • Raisins
- M&M's • Dried Apple Bits

### HOW TO PREPARE:

You can adjust amount of ingredients to fit your taste. The more you add, the more you eat food. Store in Air-tight container. If you want you can add some cereal to the mix instead of cereal.

## BAYSIDE MODEL

(Shown with optional canopy)

The ultimate in folding trailer comfort, the Grand Tour Series invites you to explore the outdoors in style, featuring...

- Thermoformed "weather resistant" plastic shell
  - 2.5 cu.ft. refrigerator
  - RockSaver<sup>™</sup> bed supports
  - Plush quilted mattresses
- (See pages 8 & 10 for feature descriptions)

2.5 CU.FT. REFRIGERATOR BELOW SWING-LEVEL<sup>®</sup> GALLEY

# World's Best Campers!

*Since 1967...*

*Over 37 years ago, in 1967,  
The Coleman Company, Inc. began  
manufacturing a full line of  
folding trailers in  
Somerset, Pennsylvania.*

## 1979

Over the years, innovative features and designs made our folding trailers the #1 selling camping trailers in North America... a position we've held for the past 25 years.

## 1989

In 1989, Fleetwood Enterprises, Inc., already the leader in the RV Industry, purchased Coleman Recreation Vehicles, Inc. from The Coleman Company, Inc. Fleetwood manufactures top selling motor homes, fifth wheels, and travel trailers, and is also known worldwide for manufactured housing. With Fleetwood's experience, support, and the infusion of product development know-how, our sales and market leadership grew. We continued to use the Coleman® name under a licensing agreement with The Coleman Company.

## 2000

In 2000, Fleetwood Folding Trailers began manufacturing Caravan™ expandable travel trailers, which have now grown into a full line of travel trailer products. Our continued growth and a market share reaching nearly 50% is a direct result of our many satisfied past customers and their positive word-of-mouth referrals to friends and family.

Our Somerset, PA facility is the largest RV plant under a single span roof in North America, with over 11 acres of manufacturing space, capable of producing over 100 trailers each day. Of the more than 650 associates working here, many have decades of experience in producing the best quality camping trailers available anywhere in the world.

## TODAY

In August of 2003 we removed the Coleman® name from our products. Although this brand recognition has been an important part of our business and history, it's Fleetwood that has been the owner and driving force behind our most significant growth and popularity since our marriage in 1989. Therefore, it's only fitting that we begin promoting our own name and brand... "Fleetwood". We are the same manufacturing facility, with the same dedicated work force, making the best quality trailers. We continue our tradition of providing our customers with the most innovative, highest quality, and safest trailers in the industry with the knowledge that an informed and satisfied owner is our best advertisement.

\*Some accessories and options may be dealer installed.

\*\*Installed option weights will decrease the Cargo Carrying Capacity. Consult Owner's Manual for accessory weights.

\*\*\*Storage trunks equipped with hot water have reduced cargo capacity because of hot water heater location.

\*\*\*\*Refrigerator, furnace, cassette toilet, hot water and outside shower are factory installed options.

\*\*\*\*\*Gross Vehicle Weight Rating (GVWR) is the maximum permissible weight of a trailer fully loaded for camping including all camping accessories, fuel and propane.

\*\*\*\*\*Unloaded Vehicle Weight (UVW) is the weight of the trailer as originally built in standard configuration at the factory when equipped (includes one tire in either front or rear).

Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can check your owner's manual or ask at your automotive dealership. Be sure to match its tow rating to the Gross Vehicle Weight Rating (GVWR) of your trailer, not Unloaded Vehicle Weight (UVW). Include the weight of water, additional accessories, clothing, food and gear. To help Hemerwood Folding Trailers customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping. In some cases the relationship of weight and wheel base length between your tow vehicle and trailer may require an anti-sway control and/or weight distribution hitch. Please consult your Hemerwood Folding Trailer dealer for advice.

## THOUGHTFULLY DESIGNED...CAREFULLY ENGINEERED

From features that assist in quick set-up, to protection from weather, to innovations for easy maintenance, Fleetwood Folding Trailers have the reputation of providing years of worry-free camping.

### 1 WINDOWS

- Clear vinyl windows allow more natural light inside on overcast days.
- Fine mesh screening keeps even the tiniest insects out.

### 2 STOVES

- Americana, Grand Tour & Highlander Series provide exclusive two-stove convenience with (your choice) a low-pressure outside stove (2 burner) or grill, and a low-pressure inside stove (3 burner).
- Destiny Series provides a low-pressure inside stove (2 burner). (Optional low-pressure outside stove or grill).

### 3 FRONT & REAR PANELS

- Front and rear TPO panels are chip resistant and provide protection against stones, road debris. (Americana & Grand Tour Series).
- Destiny & Highlander Series feature rigid panels with "Rock Guard" Diamond Plate on front panel.
- Double wall construction allows panels to be easily and inexpensively replaced if damaged.

### 4 SCREEN DOOR

- One-piece screen door requires no assembly and easily sets into place (Grand Tour Series feature painted aluminum door frame and body rails).

- It's self-contained in a single frame so the trailer does not need to be perfectly level for installation.
- The extra-wide door is a full 24 1/2 inches wide to allow easy access into the trailer.

- The door handle is located at waist-level for easy use without stooping or bending to reach.
- The automatic spring-loaded door return provides automatic closing.

### 5 STEPPER™ DOOR

- Exclusive Stepper Door with deadbolt lock on the Americana & Grand Tour Series doubles as an extra-wide and sturdy entry step into the trailer.
- FlexTread™ "non-slip" step
- The door features a convenient, lockable storage compartment.
- Highlander & Destiny Series offer a self-storing slide-out step.

### 6 WALL CONSTRUCTION

- Destiny Series feature stucco embossed galvanized steel body panels.
- Americana & Grand Tour Series feature Krystal Kote® aluminum panels never need waxing.
- Highlander Series feature laminated stucco embossed aluminum, insulated body panels.
- Automotive style double sidewall construction allows panels to be easily and inexpensively replaced if damaged with minimal labor.

### 7 GALLEY

- The Swing-Level® (Americana & Grand Tour Series) and Fold-Over (Destiny Series) galleys set up quickly and easily and provide both upper and lower storage.
- Highlander Series feature a fixed residential height galley with plenty of upper and lower storage.
- Items don't need to be removed when traveling and the Swing-Level galley design provides a no-spill feature so items remain in place when positioning the galley.

### 8 LIFT SYSTEM

- Stainless steel lift system will not corrode, rust or bind.
- The waist level crank location on the Americana, Grand Tour & Highlander Series is designed for easy access and minimal effort to raise the roof.
- Destiny Series features lower crank location.
- The lift arms extend through the trailer sidewall and are attached to the frame, allowing rain water to flow through onto the ground, not into the trailer.
- The crank mechanism is equipped with "Posi-Lock", allowing the operator to stop and release the crank handle without fear of kick-back or free-fall.
- The system is free-standing and does not require additional supports to prevent the roof from accidentally coming down.
- Limited lifetime warranty.

### 9 FRONT STORAGE TRUNK (select models)

- Impact and water-resistant rotational molded front storage trunk (See cargo capacities on page 7).
- Easy access from top and side.
- Inside can be washed out and drained with a removable floor plug.

### 10 FRAME

- Full perimeter tubular steel frame offers greater strength and durability.
- Tongue (select models) and bumper are stone finish powder coat painted to resist rusting.
- Trailer wiring is protected inside the frame members to prevent damage from stones and other road debris.
- Limited lifetime warranty.

### 11 TENTING

- Exclusive Sunbrella® 302 Tenting on the Americana, Grand Tour & Highlander Series is made of breathable woven acrylic material that's hypoallergenic and fully waterproof.
- Sunbrella 302 won't mildew, dry rot, fade, or crack.
- Because of Sunbrella 302's special breathable design, moisture and odors escape while minimizing condensation - eliminating the need for a roof vent.

- Destiny Series feature CamperTex® Vinyl Tenting with Sunbrella 302 bunk end vents to minimize condensation.
- Tenting inserts or extends the federal Government's Flame Retardancy (NF) code standards.
- Tenting is attached at bed-ends to prevent mattresses from getting wet during set-up and take-down.
- Sectional design provides a less expensive way to replace damaged or torn tenting.
- Continuous, double-needle stitching and double lap-fold seam prevent unraveling and provide strong water-tight seals from the very first time it gets wet.
- Limited 5-year warranty.

### 12 FLOOR & BED PLATFORM

- One-piece Structurwood® eliminates seams, warping, buckling and delaminating.
- 100% quality control provides consistent panels with no soft spots, knotholes or core voids.

### 13 BEDS

- Americana, Grand Tour & Highlander Series offer exclusive BackSaver® support system for easy set-up without bending or stooping.
- The beds glide out with minimal effort and feature full-perimeter aluminum frames to prevent warping and binding.
- Bed supports are easy to position and are self-storing so they can't be misplaced.
- All beds tested to 1,100 lbs. capacity. (Tucson model tested to 750 lbs.)

### 14 DINETTE TABLE

- All models offer a lightweight, portable dinette table that can be used inside or out.
- Grand Tour & Highlander Series provide a thermoformed moisture-resistant table top.

### 15 ROOF

- Insulated aluminum roof offers automotive finish design and is guaranteed not to leak.
- Provides scratch resistant performance with low maintenance.
- Grand Tour & Highlander Series feature "impact resistant" front & rear ends caps.
- Grand Tour Series provide built-in track for easy roof rack installation.
- Standard awning rail for optional canopy on all models.
- All roofs are air conditioner ready (Tucson model requires an A/C kit).
- Limited 5 year warranty.

## SERIES DISTINCTIONS

DECIDING ON THE BEST SERIES FOR YOU

Compare each series feature and decide which offers you the amenities that best meet your camping needs.  
Whether you're just starting out or a seasoned veteran, Fleetwood® Folding Trailers offer you more!

## WARRANTY

- LIMITED LIFETIME  
FRAME & LIFT SYSTEM
- LIMITED 25 YEAR  
FLOOR & BED PLATFORM WOOD
- LIMITED 5 YEAR  
ROOF & TENTING
- LIMITED 1 YEAR  
HITCH TO BUMPER

The extended life warranty on specified structural components covers repair of defective parts, labor and freight for the first full year and repair of specified defective parts and labor for years two and beyond from the date of purchase...  
for as long as you own your trailer.

**FEATURES — ENHANCE YOUR ADVENTURE!****SEE WHY THERE IS NO COMPARISON***Compare and you'll see why Fleetwood® Folding Trailers are your absolute best value.***One-Piece Aluminum Screen Door**

is easy to set in place and is extra wide for easy access, plus has an automatic spring return so you can't accidentally leave the door open.

**Exclusive Stepper™ Door**

patented design on Americana and Grand Tour Series provides an exceptionally wide and sturdy step for easy access to the trailer. It also features non-slip FlexTread™ surface and lockable storage compartment.

**BackSaver™ Bed Supports**

on Americana, Grand Tour and Highlander Series make set-up easier...no stooping or bending necessary. Simply engage the support at the bumper, lift bed end slightly and the support locks in place automatically. (Destiny Series feature permanently attached self-storing bed supports.)

**Tenting**

Exclusive Sunbrella® 302 acrylic tenting is used on all models, providing superior breathability allowing humidity and cooking odors to escape, while keeping rain out. Sunbrella 302 will not crack, mildew or dry rot, plus it's hypoallergenic. Strong and durable CamperTex™ vinyl tenting is used in conjunction with Sunbrella 302 on the

Destiny Series. Each model features a five section tent design that allows for easy and economical replacement if a section should ever become damaged. The tenting is assembled using a special water resistant cotton thread with double needle stitching, and lap-felled/heat sealed seams, guaranteeing a secure, water tight tent that won't unravel, fray or leak.

**Exclusive "Impact & Water" Resistant Rotational Molded Front Storage Trunk**

provides the perfect place to keep your camping gear.

**Exclusive Swing-Level® Galley Design**

Americana & Grand Tour Series provide a residential height galley that sets into place easily when fully stocked. The exclusive cantilever upper galley stays parallel to the floor when positioning, preventing its contents from spilling or tumbling upside down. (Destiny Series offers a full storage fold-over galley and the Highlander Series provides a fully set-up, stationary galley.)

**Metal Seat Frames**

provide stronger support and lasting durability on Americana, Grand Tour and Highlander Series.

**Exclusive Self-storing Dolly Jack & Safety Lock Chains**

Dolly jack features a permanently attached wheel and will

not interfere with tow vehicle's tailgate or rear mounted spare tire. (Highlander Series features center mount jack with detachable wheel.) Safety lock chains provide a positive locking connection between the trailer and tow vehicle.

**Trailer Foundation**

All models feature a full perimeter rugged tubular steel frame that provides a solid foundation, and protects trailer wiring inside from road debris while

towing. All models feature an EZ lube axle for easy maintenance, and a slipper leaf spring suspension system that distributes the trailer load evenly over the entire frame. Each trailer comes standard equipped with electric brakes, five lug nut wheel attachment...and if you ever need to change a tire, a lug wrench.

**Lift System Exclusive**

Every model features a stainless steel lift system with needle bearing pulleys and aircraft quality cables

that won't corrode or bind. The lift arm design extends through the trailer sidewalls channeling rain water through the lift arm and out onto the ground, not into the trailer.

## ACCESSORIES — PERSONALIZE YOUR ADVENTURE!

### CUSTOMIZE YOUR SPACE

Fleetwood® Folding Trailers offers a variety of high-quality accessories to customize your living space. Each is designed to enhance your camping comfort and enjoyment.

#### Screen Room

Featuring fine mesh screening and full perimeter skirting. (See page 4 for optional canopy, shown separately.)

#### Camper Caddie

This handy soft-side detachable and roll up wardrobe makes trip preparation quick, easy and provides loads of personal storage.

#### Sporty Aluminum Wheels

Standard on the Grand Tour & Highlander Series. (Factory installed.)

#### Deluxe Add-A-Room

Featuring fine mesh screening, privacy panels, clear vinyl rain flaps and heavy-duty zippered sections for easy set-up and take-down. (Not available on Destiny Series. Canopy must be purchased separately.)

#### Buddy Seat

Great for relaxing with a friend around the campfire or a quiet stream.

#### Gas Grill or Stove

Perfect for outdoor cooking. (Americana, Grand Tour and Highlander Series offer grill or stove as a standard feature. Destiny Series offers optional stove or grill.)

#### Handy Portable Fan/Light Combination

For added ventilation & night time reading.

#### Mirrored Vanity Mate

Provides convenient storage for tooth brushes, toiletries, paper towels and other daily necessities.

INTRODUCTION. Products comprising a large number of different materials in the particular form required by the customer. For Pilkington's glass products, it is a question of the quality of the glass and the way in which it is cut and shaped. For example, Pilkington's glass products are used in the construction of motor vehicles, aircraft, ships, houses, etc. Moreover, although Pilkington's glass products are not used in the manufacture of electrical equipment, they are used in the production of apparatus for its customers, such as television sets, radios, etc. In addition, Pilkington's glass products are used in the manufacture of furniture, windows, doors, etc. The use of Pilkington's glass products in these various industries is a matter of great interest to us, as we are concerned with the production of high-quality glass products and their applications. The use of Pilkington's glass products in these various industries is a matter of great interest to us, as we are concerned with the production of high-quality glass products and their applications.
