

SCORPION

by Fleetwood Folding Trailers

Driven to Explore

Available in silver and yellow. Shown with optional canopy, Add-A-Room, and tri-fold ramp. Convenient Add-A-Room provides an additional 7' x 8' of enclosed space.

S1's versatile 8' x 12' deck can be loaded from three sides

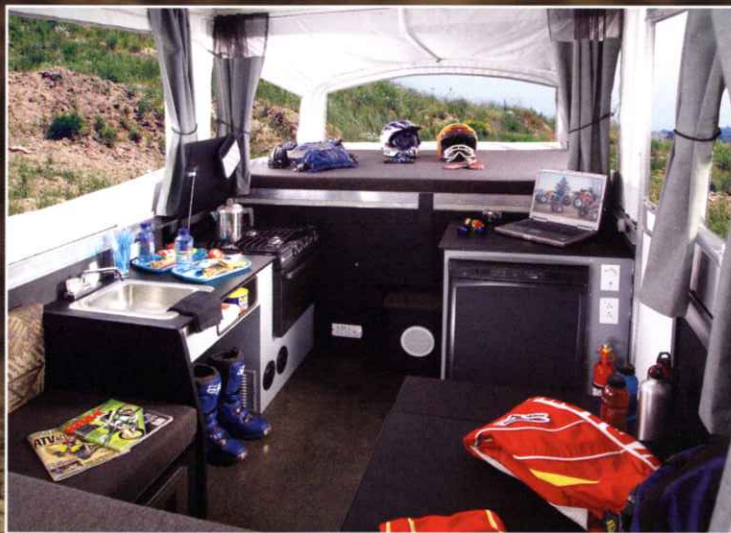

Illustration purposes only. Consult Owners Manual for proper loading and unloading information.

SCORPION S1 WORKS & PLAYS AS HARD AS YOU!

If your idea of fun means making tracks fast, **SCORPION S1** takes your fun seriously. **S1** not only gets you and your gear to the action, at the end of the day it provides all the comforts you need to relax, reload, and get ready to ride again. And **S1** creates an instant campsite where none exists, and keeps the grime of your motorsport vehicles out of your living quarters.

Feel the sting!

Complete kitchen, bathroom and sleeping accommodations for after hours comfort and fun.

Handy front deck for 150lbs. of additional gear

*Does not include temporary storage space in open areas of floor plan

- GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
- All dry weights are based on the standard model and do not include optional accessories.
- Maximum Carrying Capacity is determined by subtracting Gross Dry Weight from the GVWR. The Maximum Carry Capacity does NOT include the weight of fresh water, propane, or water in the water heater.
- Trailer open width includes slide-out step and /or slide-out.
- Water weight equals 8.3 lbs per gallon. Propane Gas weight equals 4.2 lbs. per gallon.
- Hitch weights are dependent upon how the trailer is equipped with accessories, on board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.
- Some accessories may be dealer installed.
- Installed accessory weights will decrease the cargo carrying capacity. Consult Owner's Manual for accessory weights.
- Storage trunk models equipped with hot water have reduced cargo capacity because of hot water heater location.
- Refrigerator, furnace, cassette toilet, hot water and outside shower are factory installed accessories.
