Your suite awaits you...

Mobile Suites  Elite Suites  Full House
(Optional Full Body Paint Shown)
The time is right, you’ve made the decision and now you’ve discovered what so many satisfied DRV owners proudly proclaim ... “We Love Our DRV Luxury Suite”!

DRV promises and delivers on what today’s extended-stay travelers and full-time fifth wheel residents demand most. Efficient designs, with an abundance of quality feature, reliable innovative engineering and comfortable, beautiful interior decor.

Whether your preference is Elite Suites, Mobile Suites, Full House, or perhaps one of the many new 43’ semi-customizable suites, you can be confident that you’ve chosen the very best.

We sold our 2007 36TK3 Mobile Suite and recently picked up our 2012 38TKSB3 Elite Suite that was built to our needs. We had a great factory tour and it was very informative and friendly. The Elite Suite is everything we imagined and more. It’s very comfortable and we’ve received many compliments so far, and looking forward to traveling back to Florida for the winter months. We would recommend this unit to anyone who wants quality and innovation.

– Bob and Lou in Ontario Canada

Superior engineering assures year round comfort.
I felt compelled to write and express my appreciation for our 2012 38RESB3 Elite Suite. My wife and I had a 2006 36TK3 Elite Suite which was so luxurious and now the new 2012 Elite Suite is more than we imagined in luxury. We chose the Elite Suite again because of the attention to detail and the factory working with us on some custom modifications. We really enjoy the new floorplan and we feel like we are at home. Our fifth wheel is equipped with the Trail Air Pin Box and Center Point Suspension, along with straight liner towing. This is the best pulling 5th wheel we have owned.
– Dale and Wanda in Columbia, MO

We have lived full-time in our Mobile Suites 36TK3 coach for just over two years and have thoroughly enjoyed the home-like amenities in our home on wheels. The “R” values have made for exceptional comfort in both summer and winter. “Dollar for Dollar” we don’t think there is a better 5th wheel currently on the market.
– Ron in Granbury, TX
You’ve arrived.
You deserve the dignified elegance of the Mobile Suites. Engineered for dependability and designed for lasting beauty, Mobile Suites is every bit as sophisticated as you are.
The comfortable king size bed features overhead cabinets and the optional vanity slide out provides added floor space and convenient storage.
Mobile Suites are designed to showcase residential-style, premium hardwood raised panel cabinetry and an abundance of countertop workspace.

This model smartly incorporates the convenience of a desk area adjacent to the entertainment center. The power lift TV, lots of great storage, as well as the spacious bath, will all enhance your extended travel experience.
The deep rich wood tones of Chestnut Maple add to the appeal of these plush surroundings.
Relax and enjoy the fireplace or watch your favorite program on the power lift TV.

TV when you want it - or just enjoy the view.

The bedroom features under-bed storage, overhead cabinets, a large wardrobe and vanity cabinets. Add an optional front loading washer/dryer to the hallway closet for even more convenience.
New England Cherry with Imperial Ebony décor
Living... Loving... Luxury.

Take a close look
... we’ve left nothing to the imagination. You know that underneath it all we’ve combined quality features and innovative engineering that delivers a superior extended travel experience.
The kitchen island expands your workspace while providing more storage. The solid granite countertop is accented by the Corian® back splash. The power lift range cover and standard GE Profile microwave are features you'll appreciate.
Custom hand made and finished woodwork and cabinets are exclusively made for the Elite Suites and feature the rich look of New England Cherry cabinetry.

The straight roofline design means greater ceiling heights and storage throughout.

The optional Hi-Lo coffee table adds more versatility to the living space, and provides convenient storage as well.
True elegance, from the solid hardwood, raised paneled headboard and the overhead cabinets with indirect lighting to the space expanding slide out vanity, you’ll rest in comfort. The large wardrobe can accommodate your plans for extended travel. The King Sleep System features a Sleep Number® bed by Select Comfort® and under-bed storage featuring a lift assist for easy access.

An optional front loading washer/dryer can be added to the adjacent hallway closet if desired.
The custom walk in front closet with a prefinished built in shoe rack gives you extra storage in the bedroom.

The cedar lined closets feature a built in safe with keyless entry (standard on Elite Suites).
Presenting the All New —

FULL HOUSE

available in Mobile or Elite Suites

www.drvsuites.com
Introducing...
an innovative new toy hauler,
with unique one-of-a-kind features,
exclusively from DRV.

Living...
Loving...
Luxury.
Adaptive Purpose Surface Engineering allows Full House toy haulers to:

- Expand either the Living Room or the Garage to fit the occasion by automatically moving the interior wall;
- Convert the garage floor to assist the ramp door via a “Hidden Ramp” elevation system.

If you see this kind of engineering in an RV, you know you are looking at DRV’s quality.
The garage features plenty of industrial cabinets and LED touch lighting.

Expandable Garage and Hidden Ramp features are proprietary features and the subject patents pending.
Living... Loving... Luxury.

A full line of 43 suites
Incredibly spacious, these residential-style four season luxury suites can be semi-customized, to add your own personal touches.
This 43’ model is perfect for those who seek four-seasons comfort and the mobility of a residential styled fifth wheel. The New England Cherry cabinetry and beautifully coordinated decor choices will enhance your living space.
The kitchen island adds counter workspace and plenty of storage space is provided by the large pantry cabinets and four door refrigerator.
This attractive bedroom features a vanity slide out with full extension drawers. The overhead cabinets provide plenty of additional storage.

We Really Love Our Level-Up™ Leveling System

A revolutionary advancement in engineering available on DRV luxury suites.

- Finger tip control of switch at exterior panel
- Levels accurately every time - in just seconds!
- Powerful dependable hydraulics
- Automatically finds level to within a tenth of an inch
- No more driving up onto blocks
- No more bending and stooping

“My Level-Up™ system, installed on my Mobile Suite by DRV, is unbelievable and has cut my set-up time in half. Now I can pull in, level the unit side to side, unhook and level front to rear just as easily. I appreciate the added stability of having six stabilizer legs, rather than just four. The power of the hydraulics is really impressive.”

– Gary “Ponch” McDonal in Illinois

FEATURES & BENEFITS

From the ground up, all units are built with automotive style components. Our innovative designs make it easier to transport, set up and maintain your unit.

Structure
- Professionally designed and tested 15" steel box tube chassis.
- Super strong foundation to build a lasting, high quality fifth wheel.
- All-weather heavy duty aluminum floor system.
- The floor is screwed and bolted together and will not rot over time. Also, we do not use staples which eventually work up through the floor covering.
- R-29 insulated frame floor system with three weather barriers.
- Warm floors for extended or full time use: and keeps out condensation.

Technology
- New state of the art Level-Up™ leveling system (patent pending) and industrial hydraulic system. Delivers maximum convenience and power to level your unit side-to-side and operate front and rear stabilizers and room slide outs.
- New automotive style Kodiak® disc brakes.
- Heavy duty 8,000 axles with oil bath hubs and EquaFlex® rubber equalizer.
- R-25 insulated roof system with plywood and rubber or fiberglass covering.
- Soft touch interior ceiling.

Sturdy
- 3.25" aluminum framed walls with R-16 insulated rating. Highest R rating in the industry.
- Lightweight; lower heating and cooling cost; noise reduction
- Radiused aluminum roof rafters on 16" centers.
- Lightweight; improved water run off; maximum load capacity per square foot.
- R-25 insulated roof system with plywood and rubber or fiberglass covering.
- Improved weather barrier; sound deadening; low maintenance; lower heating and cooling costs.
- Greasable suspension with bronze bushings.

Refined
- Conveninetly located wall switches control all lighting.
- Fingertip control of all task and decorative lighting.
- Designer cabinets throughout the unit.
- Overhead room lighting on dimmer switches.

Reliability
- New Level-Up™ leveling system.
- New industrial hydraulic jacks.
- High pressure hydraulic lines with metal fittings.
- New individual push button slide room controls.
- New industrial stabilizer jacks located and wind tested to provide maximum stability.
- Heavy gauge UL copper wiring.
- New residential water manifold.
- Convenient lights at all exterior service locations.
- New safe and reliable LED lights.
- Mid unit turn indicator.
- Gel coat fiberglass walls and exterior doors.
- 36 month limited warranty.

NOTE: Some features shown are exclusive to specific makes and models. Please review the complete Standards and Options list for availability.
3 1/4” thick sidewalls with two moisture barriers and R-16 insulation results in increased efficiency of heating/cooling, and better sound insulation qualities.

Our frames are engineered to accommodate the largest capacity water holding tanks in the industry. (See specifications for capacities)

Our powerful hydraulic system is integrated into the frame providing for smooth, reliable operation of power expansions and leveling jacks.

Automotive type 12V A/C wire along with heavy wiring provides all the power to live comfortably in your Suite. A centralized command center allows ease of operation.

Heavy duty industrial hydraulic pump powers the leveling jacks and slide rooms with independent controls.

Conveniently located multi-function hook-up center.

Water distribution manifold system for even water flow throughout the Suite. Conveniently select individual lines for easy maintenance.

Screened storm door with removable upper and lower acrylic panels.

Easy-twist nylon fastener.

MOR/ryde “IS” Independent Suspension System delivers smoother towing, eliminates bouncing, broken leaf springs and more.

Shown with optional Trailair® Center Point Suspension with Straight Line Tow and Haul System. Kodiak® Disc Brakes standard on all suites.
