Dream the Finer Things

DRV promises and delivers on what today’s extended-stay travelers and full-time fifth wheel residents demand most. Efficient designs that combine an abundance of quality features, reliable and innovative engineering with comfortable, beautiful décors that invite sincere compliments. Whether your choice is Elite Suites, Mobile Suites or Select Suites, you can be confident that you’ve chosen the very best.
Sandy beaches, coastal sunsets, special times to remember as you...

Dream the Finer Things
Take a close look
... we’ve left nothing to the imagination. You know that underneath it all we’ve combined quality features and innovative engineering that delivers a superior extended travel experience.
Custom styled woodwork and overhead cabinets are exclusively made for the Elite Suites.

Black granite countertops and the matching look of black finish appliances contrast beautifully with the rich look of handrubbed maple cabinetry.

Relax in plush dual recliners as you watch your optional 40" LCD HDTV complete with attractive glide-a-way tambour doors. For quieter times the optional built-in electric fireplace offers warmth and a relaxing atmosphere. (as shown on page 5)
Mirrored doors on gliding tracks conceal cedar lined wardrobe space. A built-in shoe rack is available in some models.

The slide-a-way vanity mirror reveals a dual shade system. A light filtering or room darkening shade provides privacy and optimal viewing of the optional LCD TV.

The bedroom vanity and cabinetry feature a solid wood countertop and plenty of drawers with heavy duty glides.

The King Sleep System (patent pending) features an innerspring bed base, Qualux Comfort mattress, optional power lift system and lift assist under-bed storage space.
Entertaining guests is a real pleasure and will prove to be a memorable event.

We Love Our DRV Suites...

Greetings from my rolling condominium that I call the Snaffle Shack. I continue to be impressed with the construction and design of my Mobile Suites unit. As a AQHA horse show enthusiast I really appreciate the ease of set-up and as a non-mechanical person, except for periodic maintenance, my unit has proven to be hassle free. When we’re on the show grounds all day, it’s wonderful to know we can always retreat to the convenience and restful comforts of our Mobile Suites coach.

Allen in North Carolina

We have lived full-time in our Mobile Suites 36TK3 coach for just over two years and have thoroughly enjoyed the home-like amenities in our home on wheels. The “R” values have made for exceptional comfort in both summer and winter. “Dollar for Dollar” we don’t think there is a better fifth wheel currently on the market.

Ron in Granbury, TX

I felt compelled to write and express my appreciation for my 2006 Elite Suites 36TK3. My wife and I tow with a 2006 Dodge one-ton truck and our fifth wheel is equipped with the TrailAir Air Pin Box and Center Point Suspension, it tows like a dream. We chose the Elite Suites because of the attention to detail and design. We so enjoy the comfortable floorplan and quality amenities, we feel like we are home. When we arrive at our destination we feel great and are excited to stay in such luxury.

Dale and Wanda in Columbia, MO

My Mobile Suites defines the highest standards of RV travel, designed with sufficient storage, for the full-timer as well as the weekender. Comfort combined with beautiful appointments contribute to the homelike atmosphere of my Mobile Suites 36CK3. With the many standard package items included, I would consider this to be the best RV available today.

**We Really Love Our Level-Up™ Leveling System**

(Patent Pending)

A revolutionary advancement in engineering available *exclusively* on DRV luxury suites.

- Finger tip control of switch at exterior panel or hand-held remote
- Levels accurately every time - in just seconds!
- Powerful dependable hydraulics
- Automatically finds level to within a tenth of an inch
- No more driving up onto blocks
- No more bending and stooping

“My Level-Up™ system, installed on my Mobile Suite by DRV, is unbelievable and has cut my set-up time in half. Now I can pull in, level the unit side to side, unhook and level front to rear just as easily.

I appreciate the added stability of having six stabilizer legs, rather than just four. The power of the hydraulics is really impressive.”

Gary “Ponch” McDonal in Illinois
