Crank-up Lift System

- The drive system is enclosed for protection from weather and road conditions.
- The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of the main tube to allow yearly maintenance.
- A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
- Flexible steel push rods.
- Four stage plated lift post.
- Lifetime warranty - see dealer for details.

Models shown on cover are #1203 and #1001

DUTCHMEN Accessories & Options

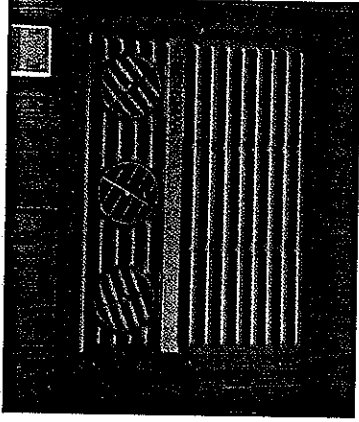

Add-a-Room gives you up to 70 sq. ft. of living space with greater privacy. A screen room adds a delightful screened-in porch to your camper for shade by day and insect-free relaxation in the evening.

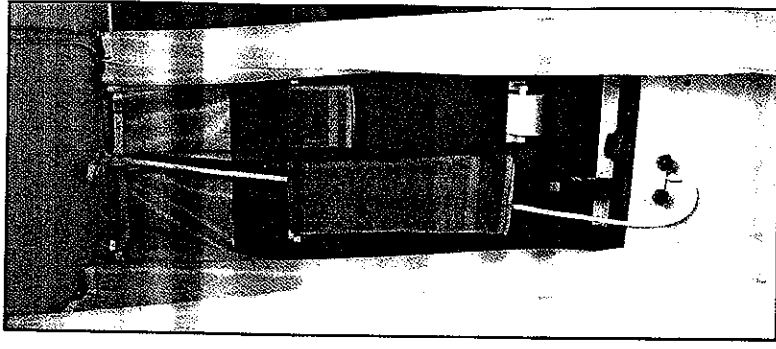

A cloth wardrobe allows you to hang clothing neatly while you're camping, yet folds up easily when you're traveling or the unit is in storage.

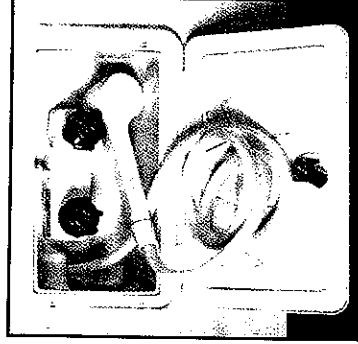

An easily attached cargo net not only adds extra storage capacity, but also keeps items safely out of reach of small children.

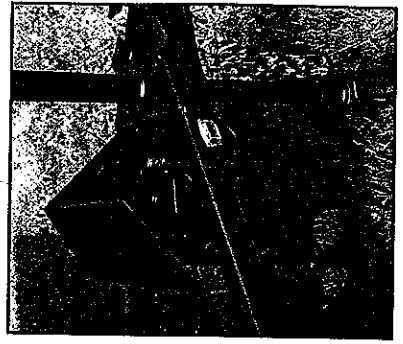

A Cool Cat heat pump will bring a new level of comfort to your camping.

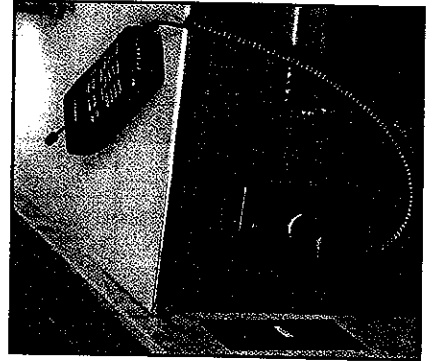

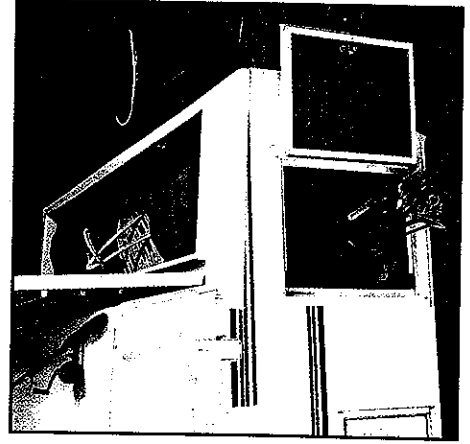

Dutchmen's hot water lines allow you to wash dishes and shower just like home. (Optional) And the exterior shower will keep dirt outside where it belongs.

We've carefully designed Dutchmens to give you as much storage space as possible. Our extra-storage models give you even more space in these exterior storage compartments, perfect for outdoor and sporting goods.

An electric winch makes setting up your Dutchmen fast, nearly effortless, and easy on the back.

An accessory power port allows unlimited use of your cellular phone or other accessories while you camp.
