Club®

Why a Thor Product is Your Best RV Value

The Cub — the best features of a lightweight travel trailer and a fold-down camper trailer in a handsome Euro-style package.

Its smaller profile when closed and lighter weight makes the cub a dream to tow, while its fold-down beds and dinette sleeping

provide convenient accommodations for the whole family. And the Cub's solid sidewalls give you added privacy and security.

Designed with the amenities of a travel trailer, the Cub even

includes built-in showers and

with showers.

The Cub — small when you want it to be, for easy towing with most of today's most popular SUVs and mini-vans, yet large enough for the whole family once you've arrived.

Inside, the Cub gives you all of the appliances and built-ins you'd expect in a trailer, plus the advantages of fold-down beds for even greater roominess.

The Cub's galley can be equipped with an available oven and microwave for even greater flexibility and convenience.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada. Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload tire recreation vehicle.

Dry weights based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options, and cargo. Liquid capacities and weights are approximate.

Warning: This information is intended as a guide only. Weight of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.
