1998LS

# LOOKS, QUALITY, VALUE.

## FOUR WINDS LS

With all of the quality and value that have made Four Winds travel trailers and fifth wheels such a favorite with RVers, the LS carries Four Winds excellence to a new level. Thermo-compression fully-laminated gloss fiberglass sidewalls and end caps make the LS strong, durable and easy to maintain, while aluminum framing gives even more strength without adding excess weight. And the LS's beautiful exterior is enhanced even further by its smooth-finished entry door and matching white window frames and trim. Of course, the LS is loaded with the standard features that make Four Winds RVs such great value.

### FOUR WINDS' AROUND THE CLOCK CUSTOMER CARE

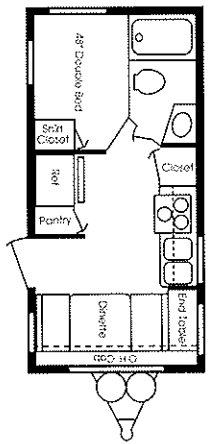

With your new Four Winds LS, you receive a complimentary one-year membership in Four Winds Manufacturing's Customer Care Program. As a member, you have access to roadside assistance through a toll-free number anywhere in the U.S. and Canada. Our staff is available 24 hours a day, 365 days a year to provide information on over 6,800 pre-qualified service locations and to dispatch emergency road service or towing help.

Carefully planned kitchens give you plenty of work space, while large cupboards and overheads make it easy to carry all the utensils and groceries you'll need. High-quality appliances include a large double-door refrigerator, three-burner range with oven and high-output burner, easy-care stainless steel double sink, and large, residential microwave. Beautiful, solid oak raised-panel cabinet doors and drawer fronts throughout give your LS a truly residential feeling.

Island queen beds with quality innerspring mattresses (twin beds are available on many models, if you prefer) give you comfortable, restful nights. Heavy-duty lifters provide safe, easy access to the under-bed storage area.

## THOR'S "2+2" WARRANTY

2 year limited structural warranty and

2 years on major components

The best protection in the RV Industry!

See your dealer for all the details.

Four Winds LS includes generous exterior storage compartment doors, so you can take along those extras when you travel. Fifth wheels have extra-large forward compartments for even greater capacity.

This brochure is printed on recycled paper as part of Thor's corporate effort to minimize waste and conserve our natural resources. We know you will join us in this effort to maintain North America's great outdoors. For who appreciates the natural beauty of our open spaces more than an RVer?

THOR  
AMERICA'S BEST RV VALUE

*Since we constantly strive to improve our product, all specifications are subject to change without notice.*

**Vehicle Loading**—Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

**Dry weights** based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

**Warning:** This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.
