Specifications

Skamper Lite – it's the ideal trailer for the first-time RVer or the veteran traveler. Skamper Lites can be towed by many of today's most popular sport/utility vehicles and mini-vans, so you don't necessarily have to invest in an expensive tow vehicle. Yet Skamper Lites are fully equipped for comfortable, trouble-free travel, whether you take long cross country trips or just weekend getaways with the kids. Best of all, you can have all of this at an amazingly affordable price, because we design and build Skamper Lites to give you the maximum for your RV investment. Skamper Lites – they really are "Light on Price – Heavy on Features."

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada. Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

Dry weights based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options, and cargo. Liquid capacities and weights are approximate.

Warning: This information is intended as a guide only. Weight of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.

CSA

Queen beds offer a restful night's sleep, and under-bed storage adds to Skamper Lite's already impressive storage. And your kids will love the bunk bed models.

Pass-through storage (where available) makes it easy to store and retrieve longer items like fishing rods, water skis, anything too long for the standard storage compartment.

Thor Industries, Inc., proudly traces its history back nearly seventy years to the pioneering days of the RV industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth. Today Thor is the second largest builder of RVs in North America. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Because we are #2, we work harder than other manufacturers to satisfy you. Our customers are always #1 with us.

Thor's Exclusive 2-Year Comprehensive Standard Warranty*: • 2 years - Structure • 2 years - Appliances

2-year limited structural warranty and 2 years on major components.
1 year customer care roadside assistance program.

The best protection in the RV industry – by far!
