Dutchmen Family of Travel Trailers & Fifth Wheels

Lite, Classic, Laminate & Supreme
The 2001 Dutchmen Lite travel trailers and fifth wheels are your best choice for quality and function at an affordable price. Lites are specifically designed to be towed by many of today’s most popular vehicles. You may already be driving the vehicle you need for towing. But you won’t have to sacrifice comfort or convenience to get the lite towing advantage. Our lites are built with the same quality materials and workmanship as the other Dutchmen family members. With lengths up to 32’ and many new and inviting floor plans, there is sure to be a lite model to fit your family’s needs.

The Dutchmen Lite gives you all the advantages of much larger trailers without giving up comfort and convenience. Our lites pack a lot of living into their smaller size. Living areas are carefully planned to take maximum advantage of space and are designed and decorated for comfort.
Residential appliances, larger sinks, and a bedroom with all the features you find at home, we have done a lot to make sure that you'll love your new home away from home. Kick back, relax, and enjoy your new Dutchmen Classic.
At Dutchmen, we pay attention to detail and make sure that we give you the features that are most important to your family. We use our experience to make sure your camping experience is the best.
You'll find you don't have to give up a lot of comfort or convenience for the sake of lightweight towing. Kitchens are designed to take advantage of every bit of available space and give you all the conveniences of home.

Available in a wide selection of both trailer and fifth wheel floor plans, and three distinctive interior colors, there is sure to be a Lite to fit your camping lifestyle.

New for 2001 is “Storage Plus”. We designed all our models to give you abundant storage for all your camping gear. Both inside and out, you’ll find a place for everything you need to enjoy the great outdoors. Whether large or small, you won’t have to worry about leaving it at home.

Vehicle Loading: Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

Dry weights based on standard features optional equipment not included. Net carrying capacity (NCC) determined by subtracting unladen vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.
## Lite Specifications & Options

### Exterior
- 30” radius entry door (most floor plans)
- Flush combo entry latch/dead bolt lock
- Hitch light
- Patio light
- Front flush mount combination window/rock guard
- Radius exterior “Storage Plus” (where possible)
- Rain gutter w/corner downspout along the roof line
- Tinted radius clamp ring windows
- Pre-wired for digital satellite system
- Rear bumper with sewer hose storage
- Twin 20# LP bottles with cover
- Locking insulated luggage doors with finger pulls

### Construction
- Track guided electric powered flush floor slide-out system in living room large slide (26RL-DSL and 24RD-M5 only)
- Manual slide-out system on “SSL” models
- 1 1/2” x 2” walls on 16” centers
- 2” belt rail around the perimeter for extra strength
- Fiberglass insulation
- Reinforced studding around all entry doors and windows
- Construction tube steel or 1-beam cambered chassis
- Large support outriggers w/solid continuous weld
- 5/8” exterior grade tongue and groove plywood floor
- 3/8” wood roof decking full length of the unit
- One piece seamless EPDM rubber roof
- Radius 5” truss roof rafters
- Tandem axles with 4 wheel electric brakes
- Standard double or triple entry steps
- New quad lock slide seal

### Interior
- 3 color coordinated designer interiors
- Solid oak framed cabinet doors

### Mini-blinds throughout
- Decor coordinated bedspread
- Quality furniture
- Skylight roof vents
- Innerspring mattress
- Designer valances
- Double bowl stainless steel sink
- Laminated countertops
- Medicine cabinet with mirror
- Towel bar
- 12 volt power exhaust roof vent in bath
- Shower curtain
- GFI protected 120 volt duplex receptacle
- Decor wall border in kitchen
- ABS tub surround

### Appliances/Equipment
- Norcold gas/electric refrigerator
- 3 burner high-output range
- 6 gallon quick recovery gas/electric water heater
- Hydro flame forced air, DSI furnace with wall thermostat
- Smoke detector
- Fire extinguisher
- LPG leak detector
- Prepped for exterior 2 burner stove
- Demand water pump
- Water heater bypass
- AM/FM stereo with cassette player
- TV antenna with power booster
- Cable TV hook-up
- Range hood with 12 volt light and exhaust fan
- Wall mounted systems monitor panel
- Thetford toilet
- Solid state converter with built in battery charger
- 120 volt duplex receptacles throughout
- 120 volt patio receptacle

### Options
- (Not all options available on all floor plans)
- Rear ladder
- Spare tire kit with carrier and cover
- Front or rear stabilizer jacks
- Electric front jacks — Fifth wheels
- Power tongue front jack — Travel trailers
- Outside shower
- Exterior 2 burner stove
- Exterior entertainment center
- Bike rack for 2 or 4 bikes
- 12 volt ultra heat pads - all tanks
- Rear stone guard (some models)
- Safety glass
- Reese 15k fifth wheel hitch
- Living room carpet and pad
- Bedroom carpet and pad
- 12 volt CD player replacing cassette
- Solid oak cabinet doors throughout
- Swivel rocker
- Phone jack
- Hide a bed sofa (26RL-DSL and 24RD-M5 only)
- Fantastic fan with rain sensor
- Skylight in tub area
- Bi-fold shower door
- 6 gallon gas/electric water heater with DSI
- Solid oak raised refer front
- Double door refer
- 3 burner range with oven replacing 3 burner cooktop
- Sink cover
- Stove cover
- 13.5 BTU air conditioner (ducted on 24RD-M5 and 25’ and up)
- Microwave
- 30# bottles with cover
- A&E patio awning
- Water filter
True classic in every sense, the Dutchmen Classic travel trailers and fifth wheels display all the quality and value that you are looking for in your RV. Take a peek at the 2001 Dutchmen Classic and you will find all the comfort and convenience of home.

Our years of experience and constant attention to our customers have taught us what you most want in an RV and we’ve put that knowledge into designing the finest selection of floor plans we’ve ever offered. There is sure to be a 2001 Dutchmen Classic that is just right for your family’s lifestyle.

Beautiful interiors are designed with you in mind. Residential decor, full window treatments and standard mini-blinds all add to the appeal of your new Dutchmen.
With superior design and construction, high quality appliances, beautiful cabinetry, stylish luxurious fabric choices, and fine furniture, there is simply no other trailer that gives you so much for your investment.

Vehicle loading—Every effort has been made to provide the greatest number of options for the maximum vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices in such a way that they remain below the manufacturer's specified chassis weight limits. Do not exceed the maximum vehicle.

Dry weight based on standard features; optional equipment not included. No carrying capacity (NCC) determined by subtracting all vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Capacities and weights are approximations only.

Warning: This information is provided as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weight and towing instructions.

Just Show Your Card and Go!

We build our products better and we protect you with the industry's best warranty coverage, but we know that sometimes things can go wrong on the road. So when you become the proud owner of a new Dutchmen, it’s just the beginning of our exclusive round-the-clock Customer Care Program.

Customer Care provides complete and fully paid roadside assistance, emergency road service, and special warranty support benefits that go with you wherever you travel. You get immediate access to fast, dependable service when and where you need it.

Add our toll-free warranty and service appointment assistance and a technical assistance hotline and you have the security and peace of mind of full-time support.

Our exclusive 24-hour Customer Care benefits include:
- Fully paid emergency roadside assistance
- Free jump starts
- Free fuel delivery
- Free lock-out service
- Free on-site mechanical service in the event of a break-down
- 24-hour technical hot-line
- Toll-free service appointment scheduling nationwide
- Warranty service assistance at over 6,800 qualified service agencies
- Free customer trip routing and map service.

At Dutchmen we want you to be able to enjoy your new trailer or fifth wheel to the fullest. That's why we've provided Dutchmen Customer Care to take care of the problems that could spoil your travels.

Why a Thor Product Is Your Best RV Value.

Thor Industries, Inc., listed on the New York Stock Exchange, proudly traces its history back seventy years to the pioneering days of the RV industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth; today Thor is the second largest builder of RVs in North America. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Because we are #2, we work harder than other manufacturers to satisfy you. Our customers are always #1 with us.
