2004 Skamper Lightweight Expandables, Travel Trailers and Fifth Wheels
Kodiak Expandables

60 x 80 queen beds in bunks

5" thick bunk cushions

Oversized dinettes with reversible cushions

Some features shown may be optional.

Model 23BH is shown in Jagged Rose
Expandable Comfort

For active families on the go, Kodiak expandable travel trailers add sleeping space without the additional length and weight that come with traditional travel trailers. And, the lightweight design and aerodynamic profile make the Kodiak easy to tow.

From the ground up, it’s easy to see that Kodiak offers the most value for your dollar. The fully laminated, all aluminum superstructure rests on a European style ultra-lightweight frame. Fiberglass exterior walls and rubber-lined roof are designed for years of enjoyable use. The expandable beds feature CAVLAR 2000 tents that include a full 5-year warranty. The Kodiak rides on Al-Ko rubber torsion axles that give it an “Independent Suspension” style ride. You won’t find all these features on the competition.

The interior of the 2004 Kodiak is our best looking ever. The designer décors with luxurious fabrics, raised panel upper cabinet doors, and Congoleum vinyl flooring make the Kodiak your best choice when it comes to expandable travel trailers.

But the value doesn’t stop there. The kitchen in the Kodiak is loaded with features, including a Norcold refrigerator, a 3-burner LP range, a double bowl composite sink with a high-rise faucet, and abundant storage.

So if you are looking for the best built, feature-packed lightweight expandable, look no further.

Choose Kodiak from Skamper. The original ultra-light travel trailer.
Kodiak Standard Exterior Features

- 2-20 lb LP bottles with ABS cover
- 26" radius entry door
- ABS wheel wells
- Tandem axles with 4-wheel electric brakes (most models)
- Welded aluminum laminated superstructure (roof, floor and walls)

- DSI water heater (gas / electric)
- Electric slide out motor
- Heated waste holding tanks (3)
- Oven with range
- Safety glass
- Spray-away wash station
- Stove cover
- Tub surround
- Water filter system

Décor Selections for Kodiak and Skamper

- Jagged Rose
- Meadow Blue
- Ocean Green
With floorplans ranging from 19 to 30 feet, Skamper is sure to have the travel trailer that's right for your family. Filled with features and value, the 2004 Skamper is the standard by which all other lightweight travel trailers are judged.

Our Norco ultra lightweight chassis, Al-Ko rubber torsion axles with easy lube hubs, and fully laminated aluminum superstructure (floor, walls and roof) make the Skamper lightweight and easy to tow.

The 25BH-SL features a large kitchen with storage pantry and oversized drawers.

Optional electric side motors are available on Skamper 8’ travel trailers.

Model 25BH-SL is shown in Meadow Blue. Some features shown may be optional.
Designer interiors with residential window treatments, luxurious fabrics and upgraded furniture are just some of the features that make the Skamper stand out.

Just because it is a lightweight travel trailer doesn’t mean that it has to be light on storage. The Skamper is designed to let you take everything you need on the road with you. Skamper includes generous amounts of counter and cabinet space, pass through “Storage Plus” compartments, and 40” wide dinette seats. Plus, some models include the optional “Pac-N-Play” side storage compartment or the “Stor-More” rear storage garage for all of your camping gear.

Just compare the design, features, and equipment on the 2004 Skamper to the competition and you will find that the Skamper is your best choice when it comes to lightweight travel trailers.
Skamper Standard Exterior Features

Skamper 8' Fifth Wheels

Standard slide-out overhead cabinets

Entertainment center with AM/FM stereo

Angled galleys feature additional overhead storage
The New Lightweight Generation

Skamper, the original lightweight travel trailer company, is pleased to introduce the new Skamper lightweight fifth wheels for 2004.

Built with a lightweight, all-aluminum superstructure, the Skamper fifth wheels offer all the same features and options you expect in a laminated, mid-profile fifth wheel without the extra weight. Two-tone fiberglass exterior, an aluminum truss roof and oversized holding tanks are just a few of the premium features found on the 2004 Skamper fifth wheels.

And the interiors are just as nice as the exteriors. Abundant storage, luxurious interior fabrics and furniture, and spacious baths and kitchens highlight some of the features on Skamper fifth wheels.

The 2004 fifth wheel from Skamper is lightweight, affordable and loaded with features and value.
Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices come the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified limits. Do not overload the recreational vehicle.

Weights based on standard run and includes some optional features. Not carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning: The information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

Weights & Measures

Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices come the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer’s specified limits. Do not overload the recreational vehicle.

Weights based on standard run and includes some optional features. Not carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner’s manual for complete loading, weighing and towing instructions.

Product information, user manuals, and photographs in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Price and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different or unavailable in Canada. Vehicles are designed for recreational use only and not intended for use as a primary residence.
