

Taking @merica Back ...  
to the simpler side of life.  
moving away from  
the hustle and bustle,  
lightening the load  
of the daily grind,  
back to freedom...  
the T@B way.

Thinking Outside of the Box

Introducing America's New "Microlite" Travel Trailer...

## America's lightest travel trailer — only 1250 pounds!

| T@B | Gross Dry Wgt. (UWV) | GVWR    | Carry Capacity (NCC) | Dry Hitch Weight | Exterior Length | Exterior Width | Exterior Height | Interior Length | Interior Height | Fresh Water | Tire Size  | LP Capacity |
|-----|----------------------|---------|----------------------|------------------|-----------------|----------------|-----------------|-----------------|-----------------|-------------|------------|-------------|
| T@B | 1250 lb              | 1869 lb | 557 lb               | 106 lb           | 15'6"           | 6'4"           | 7'9"            | 10'3"           | 5'9"            | 5 gal.      | 195/50R/15 | 20 lb.      |

\*Weights listed are for a standard trailer without options. Add option weights for total UWV of your customized T@B trailer.

## THE INDUSTRY'S BEST WARRANTY — BY FAR!

We're so confident in the design and construction of our products that they are covered by Thor's Limited Warranty.

- Your warranty includes:
- One-year Bumper to Hitch Limited Warranty
  - Two-year Structural and Appliance Limited Warranty
  - and much more!

\*see warranty statement for details.

Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.

Dry weights based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UWV) from gross weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning: This information is intended as a guide only. Weights and measurements of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

Product information, specifications and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional or not available on your vehicle. Some features shown may be part of an option package that may or may not be included on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features may be different or unavailable in Canada. Vehicles are designed for recreational use only and not intended for use as a primary residence.
