Product information and specifications in this brochure were as accurate as possible at time of printing. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different on unloads in Canada.

Vehicle options - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility of the customer to select the options that they wish to have within the manufacturer’s specified weight limits. Do not overload the recreational vehicle. Dwy weights based on standard features - Some optional equipment not included. Not carrying capacity (NCC) is determined by subtracting unloads (STV) and exclusive freight vehicles. Weight (GVWR) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Capacity and weights are approximations only. WARNING: This information is intended as a guide only. Weights of individual models may vary. Consult your owner’s manual for complete loading, weighing and towing instructions. Fresh water capacities include capacity of water heater.
**Well-Equipped Cargo Areas**

Victory Lane's cargo area is designed with the features and equipment you want in your next SRV. Victory Lane is available in open or enclosed cargo areas. Enclosed cargo areas feature white laminated storage cabinets and durable, easy to clean vinyl wallboard with kick plate. Open cargo floorplans feature oak finish cabinets. Both styles include reinforced tie down rings, easy-clean stain resistant vinyl flooring, cargo lights and power outlets.

Victory Lane features a premium bottom hinged, spring-lift assisted cargo door. This creates one of the largest door openings in the industry - 7' wide by 7' 3" tall! The door has a 2500 lb. capacity and includes dual exterior cam locks and an anti-slip "Grip-Star" finish. Most models include a diamond-plate entry ramp extension (NA 36SRV).

**Sealed Cargo:** Many models feature a sealed rear cargo area. The key-locking security door and wall are insulated to protect the living area of your SRV.

**Cargo Floor:** Victory Lane features three rows of reinforced tie down rings rated at 5,000 lbs. each. The standard vinyl flooring can be replaced with optional aluminum diamond-plate or durable anti-slip rubber diamond-plate flooring (shown).

**Screen Door:** Victory Lane's roll-away screen door is available as an option. The full width screen door mounts above the cargo door to let fresh air in and keep insects out.

**Ladder:** Victory Lane features a fully decked walk-on roof. The removable aluminum ladder can be used with the cargo door open or closed.

**Open Concept Floor Plans:** The pull down overhead rear queen bed, and the convertible roll-over sofa and dinette turn your cargo area into extra living and sleeping space. The bed swings up the ceiling and the sofa and dinette fold against the wall when not in use giving you the storage space you need for your toys.
Cleaning up after a long day of fun is easy with the optional "Spray-away" wash station. It includes hot and cold water and a 6 ft. quick-connect coil hose with sprayer.

Victory Lane is more than an RV with a garage. It is a dual purpose trailer that incorporates the best features available from RV’s and Cargo trailers to create the ultimate Sport Recreational Vehicle - SRV.

Premium amenities, large living areas, properly equipped cargo areas and optional dry camping accessories make Victory Lane SRV’s your best choice when it comes to your next SRV.

So, enjoy traveling in a Victory Lane SRV, and remember, you can take it with you!
There is more to a SRV than the cargo area. Victory Lanes interiors are designed for comfort and value. Victory Lane is loaded with features that are usually found as upgrades on the competitor’s products. Hardwood cabinet doors, residential furnishings, full size slide rooms and designer decors are just a few of the standard features that make Victory Lane is your best SRV value.

**Spacious Kitchen**: Large kitchens with an abundance of countertop and storage space are found on all Victory Lane floorplans. A double door refrigerator, large microwave and large double bowl sink are just some of the standard features you get with Victory Lane.

**Bedroom**: Most Victory Lane fifth wheels are available with a bedroom slide option, featuring a queen bed, large full width mirrored closet with shelf and a large chest of drawers with entertainment center.

**Residential Cabinetry**: Victory Lane features “RV 800” residential steel roller drawer glides. They open and close with ease and are designed for years of reliable use.

**Oversized Oven**: This over-sized 22” oven with 3-burner range and stove cover is a standard feature. Plus, the range hood includes a 12V exhaust fan and built-in light.
