

ADIRONDACK

2006 LITE-WEIGHT TRAVEL TRAILERS & FIFTH WHEELS

Share the Adventure of a Lifetime

ADIRONDACK

31BH-DSL

When it's time for that well deserved vacation, the luxury and comfort of Adirondack will help you relax in style. Adirondack's charming interior décor features white raised panel cabinets, premium fabrics and residential-style furnishings. Adirondack is sure to impress the most discriminating buyer.

You will find plenty of pleasing touches in every Adirondack model. Large living areas, spacious kitchens with generous storage, and sizeable bedroom and bathrooms make Adirondack your best value when it comes to lite-weight travel trailers and fifth wheels.

Relax in comfort when you stretch out on the premium hide-a-bed sofa. Coordinating throw pillows are a part of the Adirondack Pack option. The sofa cushion is reversible with a main fabric on one side and the solid accent fabric on the other.

Adirondack features large bathrooms with a standard skylight and window.

Sizable bedrooms are a staple of the Adirondack product line. Bedrooms feature a designer bedspread with matching pillows, headboard and curtains.

Eating in has never been so enjoyable when you dine in Adirondack's oversized, arched-back dinette.

The bedroom carpet is removable on travel trailers! Take it out for cleaning or store it away on those wet and muddy days. (optional)

All models feature Taupe Frieze carpet. See floorplans for details.

Preparing something to eat will be a treat for the family chef. Adirondack features spacious kitchens with lots of countertop and storage space. Stainless steel appliances are standard.

Vehicle loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

***Axle weight, UVW and Dry Hitch Weight** are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

ADIRONDACK

LITE-WEIGHT CONSTRUCTION

CHASSIS

1. Folding entry step – low step height for easy entry
2. Ultra-lube hubs - grease zerk makes wheel bearings easy to lube - extends life of bearings
3. Rubber torsion “independent suspension” axles – the smoothest ride in the industry!
4. All tanks mounted in frame - lowers the center of gravity, and saves valuable interior storage space
5. 46 gallon fresh water tank with quick drain feature. Tank design prevents water from standing in tanks during storage. The largest fresh water tank in the industry!
6. Standard enclosed underbelly protects tanks and floor from the hazards of the road
7. *Power-V* lite-weight chassis with durable powder-coat paint finish
8. Twin 30 lb. LP tanks with optional ABS cover (most models)
9. Integrated safety chains

WALLS

5-ply construction. Fully laminated, aluminum-framed construction.

10. Tubular aluminum welded frame – reinforced around door
11. Dark-tinted, safety glass radius corner windows
12. Insulated baggage doors with key locks and finger pulls
13. ABS fender skirts
14. Decorative wall board
15. Lauan wood backer
16. High density structural foam insulation
17. Lauan plywood backer
18. Smooth fiberglass with premium graphics package
19. Pass-through storage compartment (where available)
20. Aerodynamic front profile

This hidden lock box keeps your valuables safe and out of sight. (Adirondack Package)

ROOF

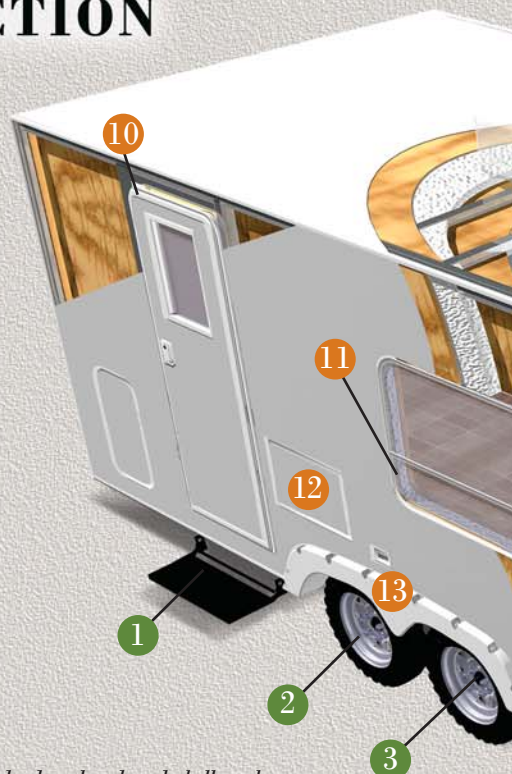

5-ply construction. Fully laminated, aluminum-framed construction.

21. Tubular aluminum framed roof reinforced at A/C
22. Lauan wood backer
23. One-piece EPDM rubber roof with 12 year manufacturer's material warranty
24. High density structural foam insulation
25. Lauan wood backer
26. Decorative ceiling board

FLOOR

5-ply construction. Fully laminated, aluminum-framed floor structure.

27. One-piece composite wheel wells (non-slide and SL models)
28. Residential vinyl flooring – full length of coach
29. Residential carpet with pad (most models)
30. Two layers of floor decking over aluminum frame and foam
31. High density structural foam
32. Plywood base with polypropylene waterproof vapor barrier
33. Tubular aluminum framed floor, reinforced at tanks

The standard enclosed underbelly enhances the aerodynamics on Adirondack and protects the fresh water holding tanks and floor from the hazards of the road.

POWER V CHASSIS

AN ADIRONDACK EXCLUSIVE!

Developed exclusively for Adirondack, the Power-V is the latest in chassis design. The Power-V Chassis is designed to be lightweight while rigid to carry maximum loads. Power-V features a lifetime rust-through warranty with durable powder-coat over E-coat paint finish.

Lite-Weight, Aerodynamic & Fuel Efficient!

EXTREME OUTDOORS OFF ROAD PACKAGE

For those who need extra ground clearance for off road campsites:

- 8" Body lift kit
- Extended jack and stabilizers
- Double entry step
- Dunlop Rover LT235/75R15 mud and snow tires. (Also available with standard ST205/75D14 tires.)

Centered under the awning, this 8" security light brightens your campsite at night. (optional)

Adirondack's exterior shower features hot and cold water, a quick connect coil hose and a sprayer. (optional)

5-spoke aluminum rims are standard on Adirondack!

Take your cooking outside with Adirondack's exterior barbecue grill. (optional)

The standard 6 gallon gas/electric water heater features direct spark ignition (DSI) for easy lighting.

Dark Tint, Safety Glass Windows - Standard!

Industry Exclusive - Adirondack features AudioLITE exterior speakers by Intier. Utilizing the latest technology, these flat panel speakers provide crisp, undistorted sound. Plus, they are impact resistant and waterproof.

Audiovox two-way radios include 4 five-mile range radios and a 12V charger base station. (optional)

All fresh water tanks are mounted in the frame, which lowers the center of gravity and saves valuable interior storage space. The 46 gallon fresh water tank features a quick drain design that prevents water from standing in the tanks during storage. This is the largest fresh water tank in the industry!

Adirondack's dinette seat, bunk beds, queen beds and pass-through storage compartments are aluminum framed. They are lighter and more durable than the competitors' wood framed structures.

ADIRONDACK
