The native people of the great Alaskan wilderness call the massive peak of Mount McKinley “Denali”. Translated, Denali means “Great One.”
Let Your Journey Begin.

The native people of the great Alaskan wilderness call the massive peak of Mount McKinley “Denali”. Translated, Denali means “Great One”.

Denali is also the name of the immense national park and nature preserve containing Mt. McKinley. At 6,000,000 acres, Denali National Park exemplifies Alaska’s character as one of the world’s last great frontiers for wilderness and adventure. It remains an untouched terrain of wildlife and glaciated mountains.

The grandeur and beauty of Denali National Park has inspired Denali laminated travel trailers and fifth wheels. Denali will captivate your senses and deliver first-class features and comfort with unprecedented value.

Distinctive style and premium features make Denali stand out from the crowd. Featuring premium residential furniture, large picture windows with designer valances and fabric night shades, Denali sets the new standard in laminated Travel Trailers and Fifth Wheels. Plus, all slideout rooms feature designer lighting, a slide fascia and large overhead storage cabinets over the sofa.
Denali’s bedroom slide features a queen bed, large front closet with mirrored doors, angled sink and mirrored cabinets, a free-standing chest of drawers and a pull-out TV shelf. Denali gives you the storage you need for those extended vacations away from home. Bedroom slides are standard on high profile fifth wheels and optional on travel trailers and mid-profile fifth wheels.

All Denali bedrooms include a designer master suite package with headboard, pillows with shams, a bedspread and matching valances.

Denali’s kitchen is loaded with standard features that are usually found as upgrades on our competitors’ products. A large double door refrigerator, large microwave, a double bowl sink with high-rise faucet, raised panel solid wood cabinet doors with brushed nickel hardware and oversize drawers on residential steel roller drawer glides make Denali your best choice for premium features and unprecedented value.
Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer’s specified chassis weight limits. Do not overload the recreation vehicle. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight from gross vehicle weight (GVWR). NCC includes fluids, options and cargo. Super capacities and weights are approximations only.

Warning: This information is intended as a guide only. Weights of individual vehicles may vary from the manufacturers’ recommendations. Always refer to your owner’s manual for complete towing, weighing and loading instructions. Product specifications, configurations, and prices may vary. This brochure was assembled as accurately as possible at the time of printing. Photographic images may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and weights are approximations only.

Available options: J, N, T
**Walls**
1. Laminated, high-gloss Lamilux fiberglass bonded walls
2. 1/8" wood backer
3. Welded aluminum frame
4. Polystyrene block foam R-7 insulation
5. Second layer of 1/8" wood backer with decorative wallboard
6. A & E patio awning
7. Tinted radius clamp-ring windows
8. Radius cornered baggage doors with lock and finger pull
9. Fifth Wheels – Full fiberglass cap

**Roof**
10. Fully decked walk-on roof with one-piece EPDM rubber roof membrane - 12 year rubber warranty
11. 3/8" Structural Wood decking with 25 year materials warranty
12. Residential fiberglass insulation
13. 5" Tapered truss roof rafters
14. Ducted roof air conditioning
15. Rain gutter molding with corner downspouts
16. 13,500 BTU ducted air conditioning

**Chassis**
17. Steel I-beam frame with outriggers
18. Radial tires on Al-Ko leaf spring axles with Ultra-lube hubs
19. Extended pin box (most Fifth Wheel models)
20. Triple fold-away steps
21. Standard electric front jacks (M5 and H5 only)

**Floor**
22. Polypropylene water resistant barrier attached to bottom of floor structure
23. 2" x 3" floor joists, 12" on center
24. Residential R-7 fiberglass insulation
25. 5/8" 5-ply tongue-and-groove, marine grade plywood floor
26. Residential tile-like linoleum
27. Residential carpeting
28. Optional insulated and enclosed underbelly

---

**Floorplan Options**

*See page 8 for more great features*
DENALI VALUE PACKAGE - STANDARD
- Detachable 30 amp power cord
- Range hood with 12V light and exhaust fan
- Silverware drawer
- Ak-ko leaf spring axles with Ultra Lube hubs
- Countertop extension
- Carbon monoxide, smoke/LP detectors
- Front fiberglass cap with area lights (M5’s)
- Front fiberglass cap (H5’s)
- Front radius profile with lower diamond plate (TT)

INDUSTRY EXCLUSIVE

New Mid-Profile Fifth Wheel Front Cap with Area Lights
The standard, aerodynamic front cap is designed to increase headroom in the bedroom without increasing the overall height of the mid-profile fifth wheel. In addition, the new cap features integrated “area lights.” The area lights are on a dimmer switch that allows you to illuminate your campsite at night for added security.
