2007 Lite-Weight Travel Trailers & Fifth Wheels

Adirondack

Share the Adventure of a Lifetime
When it’s time for that well deserved vacation, the luxury and comfort of Adirondack will help you relax in style. Adirondack’s charming interior décor features white raised panel cabinets, premium fabrics and residential-style furnishings. Adirondack is sure to impress the most discriminating buyer.

You will find plenty of pleasing touches in every Adirondack model. Large living areas, spacious kitchens with generous storage, and sizeable bedroom and bathrooms make Adirondack your best value when it comes to lite-weight travel trailers and fifth wheels.

Adirondack is available with a new maple & cherry two-tone cabinet door package. This exciting new option will let your Adirondack stand out from the crowd.
Sizable bedrooms with queen beds and generous storage areas are staples of the Adirondack product line. Plus, a designer headboard with bedspread pillows and matching curtains are standard!

Adirondack floorplans feature spacious galleys with ample countertop and storage space. A double door refrigerator, large oven with cooktop, large microwave oven and a range hood with light and fan are standard features on all Adirondack models. Plus, many floorplans include a bonus storage pantry and a large pots and pans drawer.

Adirondack features large bathrooms with a standard skylight and window.
AN ADIRONDACK EXCLUSIVE!

Developed exclusively for Adirondack, the Power-V is the latest in chassis design.

The Power-V Chassis is designed to be lightweight while rigid to carry maximum loads. Power-V features a lifetime rust-through warranty with durable powder-coat over E-coat paint finish.
Vehicle loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning – This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

*Axle weight, UVW and Dry Hitch Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different or unavailable in Canada.
CHASSIS
1. Folding entry step – low step height for easy entry
2. Ultra-lube hubs. Grease Zerk makes wheel bearings easy to lube. Extends life of bearings
3. Rubber torsion “independent suspension” axles - the smoothest ride in the industry!
4. All tanks mounted in frame. Lowers the center of gravity, and saves valuable interior storage space
5. 46 Gallon fresh water tank. Tank design prevents water from standing in tanks during storage. One of the largest fresh water tanks in the industry!
6. Optional enclosed underbelly protects tanks and floor from the hazards of the road
7. Power-V lightweight chassis with durable powder-coat over E-coat paint finish
8. Twin 30 lb. LP tanks with ABS cover
9. Integrated heavy duty safety chains

WALLS
5-Ply construction. Fully laminated, aluminum framed construction.
10. Tubular aluminum welded frame – reinforced around door
11. Dark tinted, safety glass radius corner windows
12. Insulated baggage doors with key locks and finger pulls
13. ABS fender skirts
14. Decorative wall board
15. Luan wood backer
16. High density structural foam insulation
17. Luan plywood backer
18. Smooth fiberglass with premium graphics package
19. Pass-through storage compartment (where available)
20. Aerodynamic front profile

ROOF
5-Ply construction. Fully laminated, aluminum framed construction.
21. Tubular aluminum radius framed roof reinforced at A/C
22. Luan wood backer
23. One-piece EPDM rubber roof with 12 year manufacturer’s material warranty
24. High density structural foam insulation
25. Luan wood backer
26. Decorative ceiling board

FLOOR
5-Ply construction. Fully laminated, aluminum framed floor structure.
27. One-piece composite wheel wells (SL models)
28. Residential vinyl flooring – full length of coach
29. Residential carpet with pad (most models)
30. Two layers of floor decking over aluminum frame and foam
31. High density structural foam
32. Plywood base with polypropylene waterproof vapor barrier
33. Tubular aluminum framed floor, reinforced at tanks

Lite-Weight, Aerodynamic & Fuel Efficient!
THULE SWEDEN SMART RV

Thule, the industry leader in cargo management systems for cars and trucks, has partnered with Adirondack to create the Smart RV System. This patented system allows Adirondack owners to create a functional outdoor living area that’s easy to set up and enjoy. The Smart RV system uses a number of factory-installed anchor pods mounted on the exterior of the trailer.* The accessories mount to the pods in seconds using Thule’s innovative quick-release latch system.

The optional Thule Smart RV Camping Package includes:
- Smart RV table with 2 chairs
- 2 Universal hooks
- Smart RV countertop

Smart RV Universal Hook
Here’s a great way to wrap cables and cords, hang lanterns and bug zappers, or just dry out your towels!
- 2 Universal hooks per kit
- Rugged powder-coated steel tubes
- Foam padding offers cushion and extra grip

Smart RV Countertop
The perfect surface for a blender, a radio or anything else you’ve just gotta have to enjoy the great outdoors!
- Blow-molded 40” x 16” polyethylene countertop
- Support arms adjust to ensure a level table surface

Smart RV Table and Chairs
Bring the dining room outdoors with our patented “stable table” system.
- 48” x 24” Heavy duty polyethylene table top with powder-coated adjustable legs
- (2) Camping chairs with Thule logo. Made with black, weather resistant fabric

Premium Standard Features

- Adirondack’s dinette seat, bunk beds, queen beds and pass-through storage compartments are aluminum framed. They are lighter and more durable than the competitors’ wood frame structures.
- Adirondack’s oversized, pass-through storage compartment is carpeted and includes a convenience light. (most models)
- The standard 6 gallon gas/electric water heater features direct spark ignition (DSI) for easy lighting.
- 5-spoke aluminum rims are standard on Adirondack!
- Thule, the industry leader in cargo management systems for cars and trucks, has partnered with Adirondack to create the Smart RV System.
- 80% Dark tint windows keep your Adirondack cool on warm days.
- Adirondack rides on rubber torsion “independent suspension” axles with 4-wheel electric brakes.

*Thule system is for use on units built after serial number 120671. Units include wall bracing to accept Thule Pods.

The standard enclosed underbelly enhances the aerodynamics on Adirondack and protects the fresh water holding tanks and floor from the hazards of the road.
