Monte Vista

Residential design and premium features place Monte Vista in a class by itself. Solid hardwood cabinet doors and frames, 12 gallon water heater, home theater system, premium lighting, large appliances and designer bath and kitchen fixtures are just a few of the traits that make Monte Vista the right choice for you and your family.
Surround yourself in luxury and style.
Beautiful Bath and Bedroom Suites

Monte Vista’s magnificent master bedroom suite was meticulously designed for comfort and versatility. The bathroom features a two-piece marbled, neo-angle shower with a rain-glass door.
Monte Vista Premium Construction

**MOR/ryde System**

The MOR/ryde RE system works with the existing leaf springs and axles, but replaces the steel leaf spring equalizer. It isolates and absorbs road shock and increases the dynamic travel of the leaf spring suspension. The MOR/ryde RE system provides better protection of your trailer with up to a 30% improvement in the dampening of road shock. Reduced road travel shock means less wear and tear on your trailers components. Monte Vista and MOR/ryde - you will feel the difference.

**Hardwood Cabinet Stiles**

Monte Vista features solid ash hardwood cabinet doors and solid ash cabinet stiles (frames). The hardwood stiles are screwed together and are stained to match the doors. Hardwood doors and stiles will retain their factory new appearance for years of durable use. Most competitors use vinyl-wrapped MDF fiberboard doors and stapled vinyl-wrapped stiles.

**6-Way Welded Aluminum Cage Construction**

**Premium Laminated Wall Construction**

High gloss RFP fiberglass exterior finish  
80% Dark tint, safety glass windows  
1/4” luan underlayment  
Tubular aluminum, welded box frame structure  
Polystyrene “block foam” insulation  
Vinyl-wrapped 1/8” luan decorative wall board  

**R14, 5-Layer Roof Construction**

EPDM one-piece rubber roof with 12 year manufacturer warranty  
3/8” Structurewood decking, 4'x8' sheets taped at seams  
Poly Air bubble/foil insulation sheet option (increases roof value to R21)  
5” Arched aluminum roof rafters, 16” on center  
Aluminum foil-wrapped foam air conditioning ducts - foil taped at seams  
R7 Fiberglass insulation - 2 layers at top of arch for maximum insulation value  
1/8” Decorative luan wood ceiling liner  

**Insulation “R” Values**

**Laminated Floor Construction**

30 oz. Residential carpet  
1/2” Rebond carpet padding  
Congooleum vinyl flooring in galley  
5/8” One-piece Structurewood floor  
Aluminum heat ducts - seams foil taped  
Polystyrene block foam insulation  
1 1/2” x 1 1/2” Welded Aluminum box framed infrastructure  
1/4” luan backer board  
Poly-flex 2000 vinyl vapor barrier  

**Heated/Enclosed & Insulated Underbelly**

1-Beam chassis  
Reflective aluminum bubble wrap insulation  
1/4” luan backer board  
Poly-flex 2000 exterior vapor barrier
Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer’s specified chassis weight limits. Do not overload the recreational vehicle. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner’s manual for complete loading, weighing and towing instructions. *UVW and Hitch Dry Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit. Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada. Vehicles are designed for recreational use only and not intended for use as a primary residence.
