31. 1" Thick, one-piece OSB garage floor

Well-Equipped Cargo Areas and Premium Toy Hauler Features Make Victory Lane Your Best Value!

There is more to a SRV than the cargo area. Victory Lane's® interiors are designed for comfort and value. Victory Lane® is loaded with features that are usually found as upgrades on the competitor's products. Residential furnishings, full size slide rooms and designer decors with residential lighting and solid wood raised panel cabinet doors are just a few of the standard features that make Victory Lane® your best SRV value.

Tie Down System: An adjustable E-Track cargo management system is a standard feature and includes 4 mounting straps.

Toy Hauler Flooring: A durable anti-slip rubber diamond-plate flooring is available as an upgrade on Victory Lane®.

104 to 150 Gallon Fresh Water Capacity: Victory Lane® features one of the largest fresh water tanks in the industry. Our tanks are the perfect size for a weekend of off-road adventures. Plus, 35 ft. and larger fifth wheels feature dual gray water tanks with a total capacity of 84 gallons. (See weight chart for details)

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. **Dry weights** based on standard features - Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. **Warning** - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions. *Fresh water capacities include capacity of water heater. Product information and specifications in this brochure were as accurate as possible at time of printing. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different or unavailable in Canada.

Vehicles are designed for recreational use only and not intended for use as a primary residence.
