

2007 Sport Recreational Vehicles

Victory Lane®

New 102" Wide Body Design

Victory Lane® is more than an RV with a garage. It is a dual purpose trailer that incorporates the best features available from RV's and cargo trailers to create the ultimate Sport Recreational Vehicle - SRV.

Premium amenities, large living areas, properly equipped cargo areas and optional dry camping accessories make Victory Lane® SRV's your best choice when it comes to your next SRV.

So, enjoy traveling in a Victory Lane® SRV, and remember, you can take it with you!

36SRV in Howland Taupe

There is more to a SRV than the cargo area. Victory Lane's® interiors are designed for comfort and value. Victory Lane® is loaded with features that are usually found as upgrades on the competitor's products. Residential furnishings, full size slide rooms and designer decors with residential lighting and solid wood raised panel cabinet doors are just a few of the standard features that make Victory Lane® your best SRV value.

Well-Equipped Cargo Areas and Premium Toy Hauler Features Make Victory Lane Your Best Value!

Tie Down System: An adjustable E-Track cargo management system is a standard feature and includes 4 mounting straps.

Toy Hauler Flooring: A durable anti-slip rubber diamond-plate flooring is available as an upgrade on Victory Lane®.

104 Gallon Fresh Water Capacity: Victory Lane® features one of the largest fresh water tanks in the industry. Our 104 gallon tank is the perfect size for a weekend of off road adventures (most models). Plus, 35 ft. and larger fifth wheels feature dual gray water tanks with a total capacity of 84 gallons.

Victory Lane's® cargo area is designed with the features and equipment you want in your next SRV. Enclosed cargo areas feature grey laminated storage cabinets and durable, easy to clean vinyl wallboard with kick plate. Open cargo floorplans feature oak finish cabinets. Both styles include an adjustable E-track tie-down system, easy-clean stain resistant vinyl flooring, cargo lights and power outlets.

Victory Lane® features a premium bottom hinged, spring-lift assisted cargo door. This creates one of the largest door openings in the industry - 7'9" wide by 6' 10" tall! The door includes dual exterior cam locks and an anti-slip anti-slip finish.

Victory Lane - The most functional cargo space in the industry.

Premium Wheels & Hubs: Victory Lane® features Ultra-Lube hubs and radial tires. Ultra-lube hubs allow for easy wheel bearing lubrication. Plus, customize your SRV with the optional aluminum rim package.

Premium Optional Features

Exterior Lighting: Victory Lane® features a standard patio light, hitch light and rear overhead lights. Optional recessed side flood lights as well as round security lights allow your day of fun to extend into night.
Exterior Speakers: Two weather-proof exterior speakers are available on Victory Lane®.

10 Gallon Water Heater: The optional 10 gallon gas/electric water heater option allows for longer showers after a long day of play. The quick recovery water heater features Direct Spark Ignition. Just flip the switch to light the pilot.

Exterior Wash Station: Cleaning up after a long day of fun is easy with the optional "Spray-away" wash station. It includes hot and cold water and a 6 ft. quick-connect coil hose with sprayer.

Fantastic Fan: A Fantastic Fan is available as an option for the cargo or living area of your SRV. The Fantastic Fan includes a thermostat and rain sensor.

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. **Dry weights** based on standard features - Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. **Warning** - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions. *Fresh water capacities include capacity of water heater.

Happi-Jac® Bunk System Option

Happi-Jac® bed over sofa option shown above

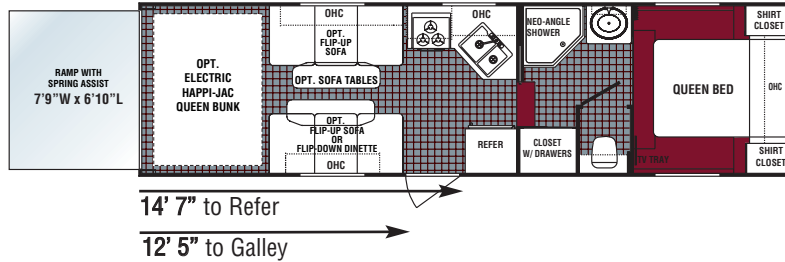

Happi-Jac® Bed System

Victory Lane® features an optional electric Happi-Jac® double queen bed system. The electric system includes a remote control for easy operation. Both beds raise to the ceiling when not in use to create extra headroom in the cargo area.

Victory Lane® is also available with a bed over sofa option. The bottom queen bed easily converts from a bed to a front and rear facing sofa for extra seating. You'll love how this bed works! (Optional)
