

Ultra-Lite Travel Trailers

Most Models Weigh Less
Than 3000 Pounds!

ECO, the next generation in ultra-lite travel trailers.

Eco can be towed by most midsize SUV's and minivans. The aerodynamic design and narrow body reduces wind drag to increase fuel economy.

Eco may be light in weight, but it's not on features and value. All floorplans feature multiple sleeping locations and a full bathroom. Plus, Eco features all the appliances found in larger RV's including a cooktop, refrigerator, microwave, AM/FM/CD stereo, furnace, and water heater.

ECO - The smart choice!

Premium Interior Design

Eco features designer décors with stylish fabrics, hardwood upper cabinet doors and residential vinyl flooring.

Plus, storage is not compromised in Eco. All models feature wardrobes, overhead cabinets and a spacious exterior compartment.

718QB

Comfortable & Spacious Sleeping Spaces

Multiple sleeping locations are designed to be spacious and comfortable with floorplans that sleep up to 6 people. Choose the model that fits your family!

An attractive Harmony White Cabinetry Package with Cherry plank linoleum is available with any Eco décor for a clean, stylish look.

Eco - Easy-to-Tow and Easy on Your Fuel Bill!

*Axle weight, dry hitch weight and unloaded vehicle weight (UVW) are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit. **Exterior height includes height of AC. Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.
