A gracefully sculpted masterpiece... Michelangelo would be pleased.
Excitement at every curve.

One look at T@DA and you will understand why so many people are falling in love again with RVing. T@DA – the retro design of yesterday meets today’s technology.

With a base weight of less than 2200 pounds, T@DA is lightweight, easy to tow and even easier to set up and use. Plus, T@DA’s innovative floor plan maximizes sleeping, living and storage space. It includes a fully functional kitchen with a refrigerator, microwave, stove top and sink. It even includes a bathroom and is available with a shower!

But it’s not just T@DA’s unique shape and terrific interiors that people love; it’s also the technology that makes it one of the best values in the industry.

T@DA features an ultra-lite body design and an ultra-lite weight chassis. The body is fully laminated with Alufiber®, the industry’s newest material. Its high-gloss finish is designed for years of durable use. Plus, T@DA includes double-pane, shatter-resistant windows, four corner stabilizer jacks and a front egress window.

So, are you ready to express yourself with T@DA? Just personalize your T@DA by picking your favorite body color, trim color and decal package.

T@DA - it’s excitement at every curve.

Vehicle Loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer’s specified chassis weight limits. Do not overload the recreational vehicle. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner’s manual for complete loading, weighing and towing instructions. *UVW and Hitch Dry Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

Optional Features

TV / DVD Combo
Sit back and watch your favorite movies on the optional 15” flat screen TV with integrated DVD player, and a remote control is included for your convenience. You just bring the popcorn!

Air Conditioner, with Heat Pump
The optional 12,000 BTU Cool Cat air conditioning system will keep you comfortable on those too-warm days. The AC is also equipped with a heat pump to warm you up when the campfire just won’t cut it. A 12,000 BTU furnace is also available.

Hydro Package
T@DA includes a standard 5 gallon cassette toilet. The portable cassette toilet tank stores in an exterior compartment for easy storage and removal (standard feature, shown above right). The optional Hydro Package includes a 6 gallon water heater, shower head with water-saver feature, shower curtain and a hot & cold sink faucet for the galley sink. The bath is prepped for a 22 gallon tote-along portable tank, available through your local dealer (shown above left).

Screen Door
T@DA is available with a slider screen door. You will love how easily this screen door works! Let the air in and keep the bugs out!
