Since 1996, Aerolite has been the most recognized ultra-lite brand name in North America. As the original and innovator of ultra-lite technology in North America, we continue to introduce to new products, features, options and floorplans to the industry designed especially for SUV, light trucks and now car platform crossover vehicle owners.

We are focused on creating innovative products exclusively for the ultra-lite market. Our products are loaded with standard equipment and industry-leading features. Plus, our attention to detail in design, construction and service after the sale is why our customers return when it is time for their next recreation vehicle.

If you are considering an ultra-lite, make sure you are choosing the best. Make sure you choose Aerolite. The original and still the best ultra-lite in North America.
