**VISIT US ON THE WEB!**

www.Eco-RV.com
Eco, the next generation in Micro-Lite travel trailers.

Eco can be towed by most midsize SUV’s and minivans. The aerodynamic design and narrow body reduces wind drag to increase fuel economy.

Eco may be light in weight, but it’s not on features and value. All floorplans feature multiple sleeping locations and a full bathroom. Plus, Eco features all the appliances found in larger RV’s including a cook top, refrigerator, microwave, AM/FM/CD stereo, furnace, and water heater.

**Eco - The smart choice!**

---

**Premium Interior Design**

Eco features designer décors with stylish fabrics, hardwood upper cabinet doors and residential vinyl flooring.

Plus, storage is not compromised in Eco. All models feature wardrobes, overhead cabinets and a spacious exterior compartment.

---

**Comfortable & Spacious Sleeping Spaces**

Multiple sleeping locations are designed to be spacious and comfortable with floorplans that sleep up to 6 people. Choose the model that fits your family!

---

**Easy-to-Tow & Easy on Your Fuel Bill!!**

An attractive Harmony White Cabinetry Package with Cherry plank laminate is available with any eco décor for a clean, stylish look.

*Axle weight, dry hitch weight and unloaded vehicle weight (UVW) are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

**Exterior height includes height of AC. Vehicle Loading – Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer’s specified chassis weight limits. Do not overload the recreation vehicle. The liquid capacities and weights are approximations only. Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner’s manual for complete loading, weighing and towing instructions.*
