2009

Kodiak - the leader in Ultra-Lite technology. With units light enough to be towed by SUV's and light trucks, we are sure to have the model that best fits your family's needs.

We are focused on creating innovative products exclusively for the ultra-lite market. Our products are loaded with standard equipment and industry-leading features. Plus, our attention to detail in design, construction and service after the sale is why our customers return when it is time for their next recreation vehicle.

If you are considering an ultra-lite, make sure you are choosing the best. Make sure you choose Kodiak.

The original and still the best ultra-lite in North America.
