Travel Trailers & Fifth Wheels

Featuring The All New
Super-Lite Series

Charting a new direction.
Whether you are heading out for a long-awaited weekend trip or heading south to your winter vacation spot, North Shore makes the ideal base camp for enjoying your time away from home. North Shore sets the standard for laminated recreational vehicles, offering spacious floorplans loaded with features and amenities. You will love the luxurious appointments and will be amazed at the value that North Shore provides.

Take a closer look and you will see that North Shore leaves the ordinary behind.
Distinctive style and premium features make North Shore stand out from the crowd. Featuring premium residential furniture, large picture windows with designer valances and fabric night shades, North Shore sets the new standard in laminated Travel Trailers and Fifth Wheels. Plus, all slideout rooms feature designer lighting, a premium slide fascia, large overhead storage cabinets and a deluxe sofa bed with air mattress.
Bedroom Features
North Shore fifth wheels include a standard queen bed, large front closet with mirrored doors, corner sink with medicine cabinet, a residential chest of drawers and a swing-out TV shelf in the bedroom.

All North Shore bedrooms include a designer master suite package with pillows, shams, a bedspread and matching valances.

Kitchen Features
North Shore’s kitchen is loaded with standard features that are usually found as upgrades on our competitors’ products. A large double door refrigerator, large microwave, a recessed double bowl sink with high-rise faucet, raised panel solid cherry wood cabinet doors with brushed nickel hardware and over-sized drawers on residential steel roller drawer glides make North Shore your best choice for premium features and unprecedented value.
North Shore Super-Lite Travel Trailers & Fifth Wheels

Introducing the new North Shore Super-Lite travel trailer and fifth wheel product line. North Shore Super-Lites feature a 6-way welded aluminum cage superstructure with lightweight laminated floor and walls. North Shore Super-Lites include the top premium features of our traditional North Shore product line while saving weight and increasing your fuel economy. North Shore Super-Lites are up to 800 pounds lighter than competitive models!

North Shore Super-Lite - The leader in lightweight, high feature content products!

*260RXX-M5 weights estimated

* Consult your vehicle owner’s manual for maximum towing capacity before purchasing a recreation vehicle. Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer’s specified chassi weight limits. Do not overload the recreational vehicle. Dry weight is the weight of the unit with standard run features. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting the normal vehicle weight (GAWR) from gross vehicle weight (GVWR). Includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner’s manual for complete loading, weighing and towing instructions. Vehicles are designed for recreational use only and not intended for use as a primary residence.

Decor Choices

- Nikon Umber
- Suburban Merlot
- Hopewell Navy
- Camilla Clay
