Travel Trailers & Fifth Wheels

Featuring Super-Lite
Travel Trailers & Fifth Wheels
Introducing the new North Shore Super-Lite travel trailer and fifth wheel product line. North Shore Super-Lites feature a 6-way welded aluminum cage superstructure with lightweight laminated floor and walls. North Shore Super-Lites include the top premium features of our traditional North Shore product line while saving weight and increasing your fuel economy. North Shore Super-Lites average 400 to 800 pounds lighter than previous models! These models are 1/2 ton towable - perfect for today's market!

*Half-Ton Towable

*Consult your vehicle owner's manual for maximum towing capacity before purchasing a recreation vehicle.

Vehicle loading: Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. Dry weight is the weight of the unit with standard run features. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only.

Warning: This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions.

Vehicles are designed for recreational use only and not intended for use as a primary residence.

Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features shown are optional and may be different or unavailable in Canada. All logos and brand names shown in this brochure are registered trademarks of Dutchmen Mfg, Inc.
