# KODIAK

Kodiak - the leader in Ultra-Lite technology - features innovative floor plans ranging from 16' to 31'. With units light enough to be towed by SUVs, minivans, crossover vehicles and light trucks, we are sure to have the model that best fits your family's needs.

Just because Kodiak is an Ultra-Lite, it doesn't mean your trailer is light on storage. With spacious counter tops, cabinet space and oversized pass-through exterior storage, it's easy to take everything along on your next adventure.

**SOLID SURFACE  
COUNTER TOPS**

Extra deep storage drawers, dedicated pots & pans storage plus full extension steel roller ball drawer glides are standard on Kodiak.

## *Dream Kitchen*

Kodiak's all new custom cabinetry design increases storage space by over 40%. Overhead cabinets are wider, taller and deeper. Plus our exclusive counter top design offers more usable space than the competition!

## *Premium Entertainment System*

Kodiak's premium entertainment system features an AM/FM /CD/DVD player with MP3 input. Interior and exterior speakers are also included. The flat screen LCD HD TV is an optional feature.

## *Central Control Station*

All switches and monitor panel centrally located for easy use.

## Master Bedroom

Large hanging wardrobe space, dual reading lights, upgraded Everdream mattress and a designer bedding package is standard with Kodiak.

## Bear Cave Storage

Kodiak's Bear Cave Storage is the largest in the Ultra-Lite products. The pass-through V-shaped cargo compartment increases storage by 30 percent.

With Kodiak —you can take it with you!

## Aerodynamic Profile

### Ultra -Lite Design Better Fuel Economy

Kodiak is specifically designed to be towed by most light trucks and sport utility vehicles. The aerodynamic profile is designed to push air up the front wall and over the roof to improve towing and fuel economy.

## Enclosed and Heated Underbelly

Kodiak's enclosed and heated underbelly protects your water tanks and floor from damage while traveling. Plus, the underbelly is heated to prevent tanks from freezing.

## Popular Options

### FLAT SCREEN HDTV

### ALUMINUM WHEELS

## Real Weights!

Did you know that every Kodiak is weighed at the factory as it leaves the production line? Our certified Acu-Weight includes options!

Most competitors publish only a base weight that does not include options. Make sure that you know what the "real" weight of the unit is before you buy your next Ultra-Lite trailer.
