Voltage toy haulers are designed, developed and produced by professionals who not only take pride in their work, but actually care about their customer's experiences when using our products! Your family and friends will move seamlessly from room to room and activity to activity because of the time we've spent planning the use and flow of each space.

Living areas are laid out for maximum comfort and enjoyment. Kitchens are a pleasure to prepare meals in. Bedrooms offer incredible relaxation and serenity. And, garage areas boast almost unlimited flexibility in their use. Stop by your local Voltage dealer today, and see for yourself why “Not all Toy Haulers are Created Equal!”
Your family will appreciate the comfort and flexibility of our Voltage living spaces. In most of our super slides, we offer a custom, oversized loose pillow sofa that boasts an 18” sofa extension which converts into a queen-sized bed. An under-sofa drawer offers additional storage, and the dinette table stows away for added convenience.

**QUEEN SIZE AIR BED**

Voltage features a 7’ 6” interior ceiling height on our super slides; the tallest in the industry!
