UNIQUE FLOORPLANS WITH DISTINCT FEATURES

Aspen Trail
Model 2760BHS
WHERE HIGH-END LOOKS AND FEATURES MEET AFFORDABILITY.
Aspen Trail's residential-styled furniture and 2-toned walls add a sense of comfort and warmth.

You’ll appreciate the optional high-end residential solid surface countertops and 60” x 80” queen-sized bed.

Mega-slides are over a foot wider and offer a six-foot ceiling height.
Kitchens are versatile, offering tons of storage, larger cabinets, multiple drawers and generous counter space. All main living areas include an overhead skylight. Taller ceilings allow for taller kitchen cabinets, larger windows and taller sliderooms.

Our spacious slides include an oversized convertible dinette and/or sofa.
All Aspen Trails include distressed maple hardwood panel drawer fronts and cabinet doors, heavy-duty drawer guides, large sink and appliances, interior designer treatments and Beauflor® wood plank flooring. See your local dealer today; there’s sure to be an Aspen Trail that’s just right for your family!
