Head turning DynaQuest ST Class C Motorhomes are built on the rugged Freightliner® M2 chassis powered by the Cummins ISB 6.7L 325-horsepower diesel engine, with an impressive 750 lb./ft. of torque at 1,200 RPM. The streamlined front end tames head and cross winds to make driving a breeze. Sized right for agile maneuvering, these ST “go anywhere” floorplans take the hassle out of parking. The whole package delivers excellent accommodations, amenities, and conveniences with a driving experience unmatched in the industry. If your travel needs require spacious, full-time sleeping quarters, a convenient, well-equipped kitchen with impeccably appointed dining and living quarters, the DynaQuest ST is an excellent choice.
Stretch out and relax in this spacious rear corner double bed in DynaQuest 264ST.

The DQ260ST’s living area feels spacious and open, making it hard to believe it’s a smaller coach. The sofa transforms into a comfortable queen size air mattress bed.

The DQ264ST also offers the convenience of a permanent double corner bed that’s perfect for an afternoon nap. With an optional queen size Hide-A-Bed sofa, this well planned coach provides two exceptional sleeping areas.

The warm, inviting U-shaped dinette, with a deluxe matching Ultraleather folding chair, seats four comfortably and folds out for extra sleeping room. Optional on the DQ264ST, DQ300ST and DQ302ST.

DynaQuest 260ST’s full kitchen is loaded with standard features including a 10 cu. ft. stainless steel refrigerator, standard huge pantry storage and a comfortable dinette that converts to a sleeping area.

Russet Ridge/Natural Cherry

Stretch out and relax in this spacious rear corner double bed in DynaQuest 264ST.

Briarwood/Natural Cherry

Mocha/Natural Cherry
On the road with the ultimate tailgating vehicle.

Take in the stunning, head turning appeal of the versatile DQ275ST. Up to nine people can load up for fun, while traveling in the lap of luxury. Socialize in style with the DQ275ST’s premium audio and video entertainment package. Dynamax combines our legendary curb appeal and maneuverability through aerodynamic RV engineering to deliver a midsized motorhome that leaves other comparable Class C RVs in the dust.

DynaQuest - DQ275ST

Pack for adventure. DynaQuest ST’s spacious 17-cu. ft. lighted rear trunk and powder coated steel side compartments with lockable aluminum insulated doors provide outstanding storage capacity for your gear. Includes 12-Volt and 110-Volt receptacles.
Travel and park easily at soccer games, tailgate events, boating, antiquing, horse shows or car races. In fact, it goes just about anywhere you can think of. The standard jack knife sofa folds-out, creating an added sleeping area.

Russet Ridge/Stained Cherry

The convenient wet bath features a toilet, sink and a shower with a skylight. This side dinette easily converts into a comfortable sleeping area. DynaQuest 275ST shown.

This DynaQuest 275ST is well-appointed, with all of the amenities found in a much larger motorhome. With seating for nine, plenty of storage (including a pull-out cooler under the dinette), and a deluxe bathroom, its suite-like interior is perfectly suited for entertaining.
Family and friends will appreciate the DynaQuest DQ300ST and DQ302ST’s well-appointed private sleeping quarters. These larger coaches offer plenty of additional storage space and luxury conveniences. When you option the Ultraleather Hide-A-Bed, these DynaQuest STs sleep four comfortably. The DQ300ST and DQ302ST offer the premium amenities of a larger Class A in a smaller, more maneuverable package that’s a pleasure to drive.
DynaQuest ST offers incredible performance and extraordinary styling. The Cummins ISB, 6.7L diesel engine dishes out 750 lb./ft. of torque at 1,200 RPM. Beautiful Ultraleather upholstery, premium quality nylon-sculpted carpeting and rich, hardwood cabinetry and flooring set the tone in style. Add unrestricted maneuverability and you’ve got the perfect package.

The DQ302ST offers comfy 32-inch x 76-inch twin beds. Each features a spacious hardwood shirt wardrobe and nightstand. The DQ302ST’s large, airy living area features an Ultraleather sofa. Standard amenities include, luxurious hardwood flooring in the kitchen and bath, and deluxe sculpted carpet in the living room and bedroom.

Russet Ridge/Stained Cherry

This convenient kitchen features Corian® countertops with an integrated sink and single handle pull-out faucet, a gas two-burner cooktop, an over the range convection microwave and generous slide-out pantry.

This mirrored 302ST’s rear bathroom has a Corian® countertop with an integrated sink and generous closet storage. A one-piece shower with a skylight lets the sunshine in.

Russet Ridge/Natural Cherry

DynaQuest 302ST’s rear bathroom has a mirrored hardwood medicine cabinet over the vanity, a Corian® countertop with an integrated sink and generous closet storage. A one-piece shower with a skylight lets the sunshine in.

Russet Ridge/Stained Cherry
Contemporary Paint Packages
DynaQuest ST Series offers six eye-catching full-body paint packages. All feature dramatic, contemporary automotive base coat/clear coat technology.

Contemporary cockpit.
The professional cockpit is designed with lots of leg room. DynaQuest ST includes power windows, cruise control, tilt and telescoping steering column, tinted glass and overhead reading lamps. Many drivers option the sophisticated GPS navigation system.

Hydraulic leveling jacks.
Level your DynaQuest ST quickly, safely and easily with four standard semi-automatic leveling jacks.

Lockable storage for all your gear.
DynaQuest ST has lots of cargo space inside and out – with a spacious 17 cubic foot trunk and generous lighted side compartments.
High quality optional Hide-A-Bed sofa. This inviting sofa transforms into a comfortable queen size air mattress bed.

Posi-Lock hardware on cabinets and drawers creates a positive lock to secure doors or drawers when the motorhome is in motion.

Advanced 26-inch flat LCD screen TV offers the finest in television picture quality. See your favorite movies and popular TV shows like you’ve never seen them before.

Incredibly sophisticated interior integration. Stylish, sculpted interior transitions are designed with compartments to house electronic components efficiently. Framed in natural Cherry hardwood, compartments contain a standard AM/FM/CD/DVD Surroundsound system with a satellite receiver.

Standard color backup camera. The color back-up camera is available with optional side view cameras for enhanced safety and security.
Stylized living space is more than colors, fabrics and furnishings. Floorplans thoughtfully designed to enhance ease of movement, give a feeling of roomy comfort and convenience. DynaQuest ST offers a choice of five luxurious arrangements.

U-shaped dinette is available on Models DQ264ST, DQ300ST and DQ302ST

Durable by Design

Getting you on the road for a worry free experience is what it’s all about. We build on a "million mile" chassis and back it up with the best warranties in the business.

- Steel floor frames on all models are mounted on urethane isolators to dampen chassis noise and vibration. These Isolators also allow the cab and the motorhome body to move as a single complete assembly.
- Exterior storage compartments are powder coated, inside and out, to inhibit corrosion.
- Steel floor frames on all models are E-Coated for superior corrosion resistance. This dipping process coats both the inside and outside of the steel tubes.
- Sidewalls and roof frames are constructed with heavy gauge 1½” x 1½” aluminum tubing. All through-wall and roof cut outs are boxed in with aluminum tubing. (Most manufacturers install wood to rout out their openings; wood has a tendency to rot over time.)
- All slide out walls are welded and laminated within the sidewall to insure that the contour is the consistent.

"My DynaQuest 264ST has taken me places most RVs can’t go; places most RV owners never dream that their RVs might take them."

— Bob Chandler
CEO, BIGFOOT 4X4 Inc.
