The 2008 Model Year brings a brand new interior concept to your travels.

The Georgetown “Dream Kitchen” makes elegance an affordable reality. Stainless steel, solid surface and halogen lighting. Features once reserved for high end residential homes arrive with your Georgetown.

Shown right is the incredible 378 with the optional XL package. The 32” LCD HD TV, home theatre and fireplace bring warmth and comfort to your travels.
Go ahead. Indulge yourself. This master suite comes complete with LCD TV, abundant storage and a spacious master bath. No wonder the 378 sets the standard for life on the road. The master bath features Corian edge countertops, faux marble sink and shower (with seat): Plus an upgrade lighting package (XL Option Package)

GEORGETOWN SPECIAL FEATURES

A. REAR TRUNK. All standard Georgetown models have an opening rear trunk for all of your miscellaneous travel items and storage for your optional spare tire.

B. WATER FILTRATION SYSTEM purifies your water for the whole coach. This system is found standard on every Georgetown model.

C. SPRING-BACKED DINETTE CUSHIONS are supremely comfortable. Seats lift up to provide extra storage below.

D. PASS-THROUGH STORAGE compartments are lighted creating expansive storage to take it all with you. Side hinge doors make access easier.

E. CONVENIENCE COMMAND CENTER keeps all the controls managed in one place.

F. CO-PILOT WORK STATION provides a convenient area for your laptop or road map. Now the co-pilot has a place to spread out.

G. UNDER BED STORAGE provides that additional storage space where the competition comes up short.

H. FULLY AUTOMATIC LEVELING JACKS are standard on all Georgetown models.

- Pull out Sprayer faucet
- Halogen Flush Mount lighting in Living Room and Kitchen
- Folding range cover with solid surface overlay

Forest River Encourages You to Buy Locally
Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:
• Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
• Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
• Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a “home town” professional.
• The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
• For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
• Forest River’s goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
Georgetown SE Series is the Industry’s value leader—Luxurious interiors with high end features need not be sacrificed for affordability.

The Bunk House Option (left) gives you (2) two video players with monitors. The bunk area also has individual drapes for maximum privacy. (Available on 350 SE, and 357 Georgetown Models)

All SE Models come with the new 34” radius shower (far right). A built in seat makes life a bit easier, and soft colors bring in the morning gently. (N/A 338)

The SE cockpit features standard soft touch leatherette driver and passenger seats. The easy view camera position makes backing up a breeze. Function and elegance are central to the forward control area...life on the road as it was meant to be. (bottom left)
